Thanksgiving

HURSDAY, as one of the states in which Thanksgiving is to be November 23, we will celebrate a strange and unknown land. day set apart for the annual giving of thanks for the year's blessings. Originally it was a harvest thanks- Credit Must Be Given for giving but the purpose has become less specific; the __ festival still takes place after the crops have been: Figures and Information Used moles (not the blind ones)? They crack condition is reached (when a move the oil sac at the back; ruh gathered late in the fall.

ford decreed a day for thanksgiving after the crops had hope had grown up during that summer, after half of dred banking and financial institutions and other organhope had grown up during that summer, after half of dred banking and financial institutions and other organneighbors are having the same trouhope had grown up during that summer, after half of dred banking and financial institutions and other organneighbors are having the same trouhope had grown up during that summer, after half of dred banking and financial institutions and other organneighbors are having the same trouhope had grown up during that summer, after half of dred banking and financial institutions and other organneighbors are having the same trouhope had grown up during that summer, after half of dred banking and financial institutions and other organneighbors are having the same trouhope had grown up during that summer, after half of dred banking and financial institutions and other organneighbors are having the same trouhope had grown up during that summer, after half of dred banking and financial institutions and other organthe Pilgrim company had died the previous winter, izations during National Prosperity Week starting on his " since the crops were good and the people did better and Monday, December 4th, according to an estimate given br. W. J. Hamilton, Jr., of the apple into the sirup, withdraw it, three and one-half to four and one-half to

event and had about four score Indians as guests who Prosperity Week. The total distribution for 1939 is mals, I imagine the injury is being Stand the apples where they will aided by furnishing supplies for the feast. The first about seven per cent in excess of 1938. The total caused by field mice. Thanksgiving lasted for three days, consisting of ser-amount saved, the number of participating institutions, mons, prayers and songs of praise by both the Indians the average per-member accumulation and total numand the colonists.

The custom spread to other colonies from Ply-In 1789 the Protestant Episcopal Church of Am-

erica announced the first Thursday of November as; annual days of thanks unless another day be appointed; by the civil authorities. The Roman Catholic Church did not recognize the day until 1888. Thus there was no uniformity to the day f

thanks for many years as thtere was no proclamation issued by the President. But Mrs. Sarah Hale, editor of Godey's Lady Book, taking an interest in the subject, pleaded thru her columns for a nation-wide minted the best Thursday in November as Thanksgiving. For this reason. Mrs. Hale is known as "The Mother of Thanksgiving."

Since 1864 the Presidents have annually made formal announcements and Governors of various states? have issued proclamations for giving thanks. Only i this year, for the first time since Lincoln's proclamadays of celebration all over the nation. The day is ? not a national legal holiday but nearly every state has legalized it by act of the legislature. The day is looked upon with great reverence thruout this country and especially in New England where the custom originated. It is really a family day, composed of thoughts of kitchen pantry filled with good things and the memories i

tion still enjoys. Let us pray for its continuance.
