## THE HI HERALD

(Continued from Page Six)

It is the girl friend's own privilege to go with the buddy if she wants to. Avoid being jealous or snubbish at the party. If your boy friend comes with his former girl friend do not get angry because they can be friends without getting serious again.

Forget about your boy friend's former relationship to this girl; be friendly with her and go to the party to enjoy yourself. You will enjoy yourself and so will everyone else around you.

Yours truly,  
Your Hi Herald Adviser

## Guess Who?

See the Senior coming down the hall,

Who's dark, thick set and somewhat tall?

He's quite a Romeo with all the gals, And counts many high school boys as his pals.

A very good leader, does his own work,

Even outside of school, this young man won't shirk.

His hobby is hunting but not occupation,

In History C class he's quite a sensation.

Besides all these traits, the light you will see,

Upon hearing that he travels around with E. B.

Last Guess Who was Vic Oakes. —L.C.—
