### Toys Are Big Business

of America will be assisting in passing over the is good because it justifies means and any method may Mickey Rooney and Judy Garland, counters thousands of dollars in the form of toys. be employed to achieve a desired goal. God, morality who are starred, more than Toys are big business.

For the past decade more thought has been given seen; they can not be demonstrated. each year in the buying of gifts and also in the manufacturing of gifts for children. The theme in buying nesses of uncontrolled materialism. What is toys has been "Play is to the child what work is to the What is evil? Abstract standards everywhere have man." Toys are to children what tools are to grown been torn down. What is church? What is religion: ups. It is a well established fact that children are apt None of these things bring home the material needs to play as adults live. Parents have been awakened, why should a man bother about them? for despite the current European war, and the constant \ talk about it, less than one per cent of the toys offered an inner conscience that differentiates man from beast this year are concerned with military subjects. The and when he ignores that he suffers the loss of virtue. trend is toward more purposeful toys which have Until he finds his soul again, his world will be upside brought an element of stability to an industry.

When a new design in automobiles sweeps the country the toy automobiles are not far behind. In the to a exhibited items on the kitchen are the streamlined Helping Finland white enameled modern sinks, stoves and cooking gadgets. Most changes come as improvements rather than as innovations and something for girls which has been | 📥 in men which responds to a courageous defense a problem for some time.

Contrary to popular impression, Germany and Jap-land law-abiding people against unprovoked and menan's contribution to our toy trade is very small. Today 95 per cent of American toys are made in the United i States. The majority of them express the general idea weapons of aggression, declare that Finland can't win Mufflers . . 59c to \$3.50 that the play of the child is a duplication in miniature, of the activities of adults.

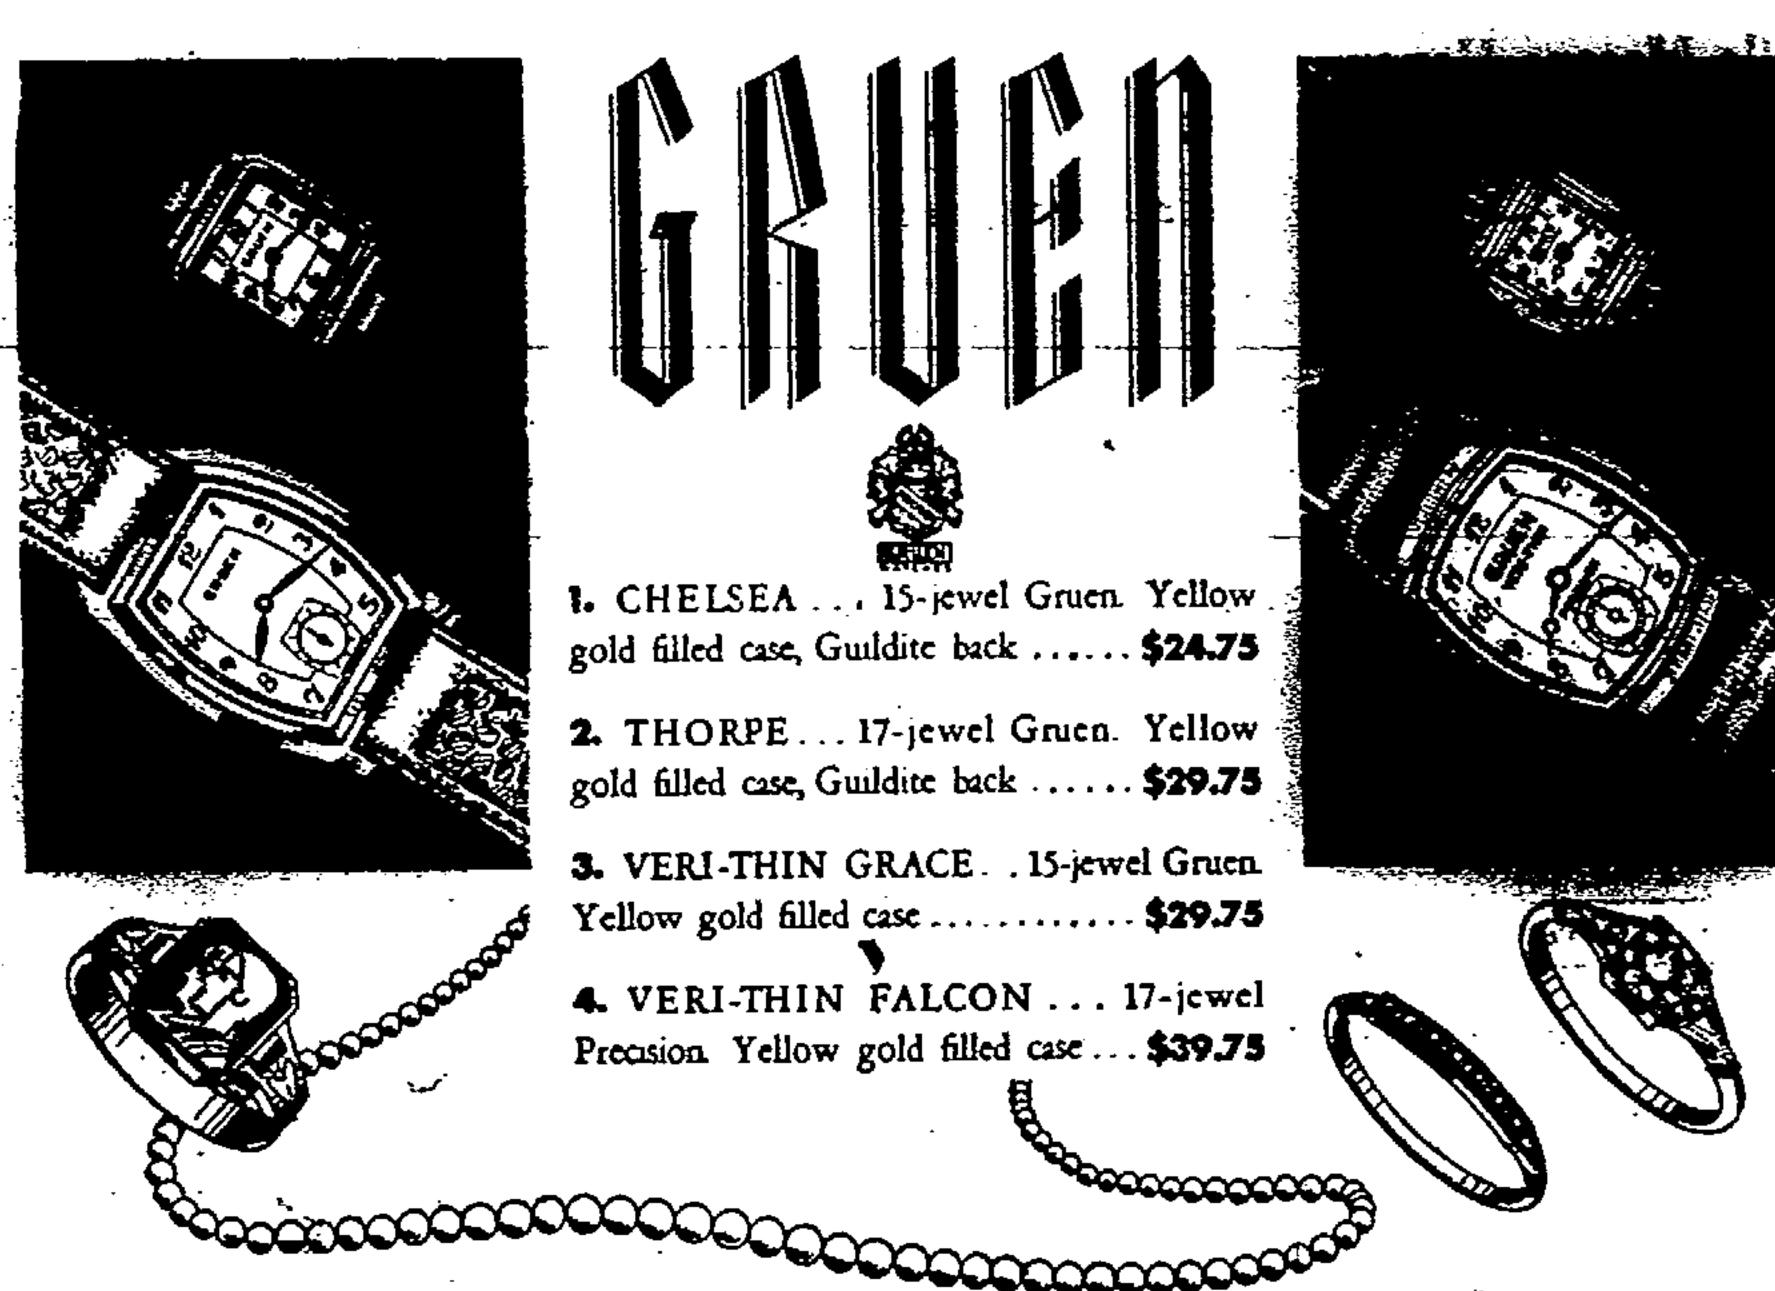

## Wanted: A Godfather of Play are counter-attacking. Those who expected to see a

Irepetition of the Polish collapse are rubbing their HE boy or girl without a playground is father or eyes. Not only is the attack less machine-like; mother to the individual without a job, says Jo-mechanized might of the Soviets is running into more seph Lee who wrote the book "Play is Education." difficult conditions. And the defense is manned by men Every child has a right to a safe place to play and play who have known freedom. Always such defense is a major part of education. Teach children to play! been stubborn. It is enough to recall the hundre Disdainful, cynical doubting Toms make a solid bulwark years the Dutch fought the might of Charles V's Emof indifference to the idea. Play is synonymous with pire to win independence, the American War of Indegrowth. The child throws himself into his game up to pendence. If anyone quails before the thought of mere the very limits of his courage and perseverance. Each numbers he would do well to scan a page or two of day he works further into the unexplored regions of history on which the Russian Goliath met other little potential character and comes back a larger moral Davids.

being than he set forth. It is possible that the world's indignation is already Thru the summer months this problem is not so being felt in Moscow and is responsible for some of th pressing, but during the winter most gates are closed. half-heartedness manifest in the Soviet attack. Italy There are the basketball leagues and social clubs, but is sending planes and fliers. Swedish volunteers are on these are not adequate for our small rural communi-the march, British armies of women are assisting ties. This community needs teamwork and education work behind the fighting lines. Diplomatic resistance in new games. With the cold weather as a benefactor, can be organized, and certainly some way can be found this community has a wonderful opportunity for a much to remit the Finns' debt to the United States and the half the battle against this new outbreak of ruthless ilawlessness has been won. way—a godfather of play.
