## Infantile Campaign Receipts in County Total \$1,306.69

The Allegany County Infantile Paralysis Committee has announced that the total receipts in Allegany county in the 1940 Infantile Paralysis campaign were \$1,306.69. This figure reflects the progressive increase in interest and contributions shown by former fine campaigns.

In making the announcement of the committee, Ellis J. Hopkins, county chairman, took occasion to thank all who had in any way participated in the campaign, both workers and contributors. In addition, the committee expressed its particular gratification to the press of Allegany county for its co-operation in giving the drive its publicity, without which, in the words of the committee, it could not have attained the splendid success that it did.
