### Daylight Saving Time To Be Put to Vote

Village Board Has  
a Special Election To  
Decide on Fast Time  
May 14th.

Acting upon the petition  
presented them last Thursday  
Andover Village Board has  
called a special village election,  
the results of which will be found on  
page 10 of this week's News, for  
May 14th from 3:00 to 7:00  
in the afternoon, at which time  
the members of the village of Andover  
will vote on the question of  
saving time in Andover.  
With daylight saving time  
in effect in most all of the cities  
and towns throughout the state, let  
us not let our village lag behind.  
Let us now find ourselves  
keeping up with the times by  
voting on this question, not the  
one which are our pet radio programs.
