"Humanitarian Agencies" Is Topic Presented to Mothers and Daughters at Recent Banquet.

In presenting a picture of the Humanitarian Agencies of New York it is fitting to give something of the history of humanitarian movements, for all such agencies in New York City have had their inception, shorty before or beginning with the American Revolution, which served as a liberating agency for reform movements. The seed of progress Genesce, Sunday. Lose to Old World found fertile soil for CCC Camp of Almond in growth here. There was a constant exchange of ideas between the reformers in the Old World and the

with ten towns represented by teams done in that country was soon known Centerville, good."
