## Why Poppies Are For Sale

HE sale of the poppies which is launched annually at this time of the year is promoted for the sole purpose of aiding veteran's relief work. To some of you they mean much, and to others they mean just some more poppies to buy.

It is not a hollow lip service that we would pay us do, by living for America, working for her children . and caring for the disabled and their dependants. These Flander poppies are made by our disabled erly if fire strikes.

World War veterans in our hospitals and they look forward each year to the making of these, which diverts Why Always Such a Hurry? their minds, creates interest and gives the veteran a each one made. For these, our beloved, we wear a poppy. We wear a poppy to tell America she has solhad for the battles of war. We wear a poppy to tell weather and roads permitting.

the World we fight for America and all she holds dear. the last resting place of the flower of our manhood. it any. For this blessing let us be deeply grateful and h thankfulness wear a poppy.

### Advice For a Gunsmith

ARLSTROM, the gunsmith in David Grayson's book, "Adventures in Friendship," gives soun advice when he says "When I feel like finding ". fault I always begin with myself and then I never get any farther."

What a great old American custom buck-passing The man under our hat always is innocent. mistakes and failures always can be so conveniently can go our way in peace To ancient man all thing were animate. When a

boulder fell on his toe, the boulder meant to do so! Even to this day when we stumble over a chair we may kick the chair in disgust. It was the chair's fault, not ours, that we stumbled! If men and women would just follow the old gun-

smith's advice this old world would be transformed. Most of us could keep quite busy finding and correcting our own faults. I know I could.

Nothing is gained by winning an argument and more, but it may mean a longer life. losing a friend.

Unread books quickly acquire a stale look.

They that do the most make the least noise.

today than he was yesterday.—Lincoln.

We can do anything we want to do-if we stick to it long enough .- Helen Keller.
