"God Bless America"

HIS should be the prayer or plea of all America today. What America means to all of us should __ be stated and emphasized in every community Music on the March time after time.

"God Bless America" isn't a new song. Irving HE popularity of melodies filched from the clas- compose, do add some food value to each year becomes rusty and not and the purpose for which the " Berlin wrote it as a buck private in 1917 and it wasn't Girl and Boy Scouts.

"God Bless America, Land that I leve,

God bless America,

Stand beside her and guide her Thru the night with a light from above; From the mountains, to the prairies, To the oceans, white with foam,

My home sweet home." Our country has been blessed and His benediction of defending every priceless heritage that we have been granted. America does not boast of her capacity to pro-

duce goods for destruction, but stands as the mos powerful nation on the face of the world because made of people happy, unified, liberty-loving citizens

Here, home has a deeper, richer significance than America has adopted millions of the hunted, the perse cuted and the oppressed and taught them the love of tolerance—love of liberty—the love of being able to own and to fervently say "Our Home Sweet Home." We place our destiny and guidance in the souls, hearts the freedom of their hands, the freedom of their intel-! proud to always stand militantly at the side of every true American against the inroads of doctrines seeking to destroy America's priceless heritage.

thunders "Beware!"
