A BULLETIN FOR EVERYTHING

Have you been in the Home Eco-nomics room lately? Those who have have surely noticed the bullet-in board. I guess we haven't had anything quite like it in school beanything quite like it in school before. Nearly every day it is changed and mew topics of interest are placed instead of the old ones. Since we have a new school that has a lot of bulletin board space, why don't we have a new school that has a lot of bulletin board space, why don't we have a new school that has a lot of bulletin board space, why don't we have a new school that has a lot of bulletin board space, why don't we have a new school that has a lot of bulletin board space, why don't we have a new school that has a lot of bulletin board space, why don't have never the school that has a lot of bulletin board space, why don't have never the school that has a lot of bulletin board space, why don't have never the school that has a lot of bulletin board space, why don't have never the school that has a lot of bulletin board space, why don't have never the school that has a lot of bulletin board space and bulletin board space and bulletin board space and bulletin board space are spaced as the school that have never the school that has a lot of bulletin board space and bulletin board space and bulletin board space are spaced as the school that has a lot of bulletin board space are spaced as the school that has a lot of bulletin board space are spaced as the school that has a lot of bulletin board space are spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the school that has a lot of bulletin board spaced as the sc of bulletin board space, why don't we have more of these?

I'm sure that these bulletin boards not only make the rooms look more cheerful, but also are very educational in their way. Everyone will New Novelty Number for Band look at a bulletin board even if he Mr. Quieley ease his musical

look at a bulletin board even if he doesn't have time to read the papers. There is some little thing about them that always calls the attention of everyone in the room. A student goes into a room and immediately starts gazing around trying to find something of interest at which to stare. Ah, there it with to stare. Ah, there it with the orchestra has are "Jeaning trying to find something of interest at which to stare. Ah, there it with the orchestra has are "Jeaning trying to find something of interest at which to stare. Ah, there it with the orchestra has are "Jeaning trying to find something of interest at which to stare. Ah, there it with the orchestra has are "Jeaning trying to find something of interest at which to stare. At once the student starts to read it. Little Bit of Pop" which includes different arrange-time he is learning something about the subject that he is supposed to be studying. And at the same time the teacher can sit back and say, "It took me three weeks of hard talking to try to put that article over and now I just pin it on the bulletin board and, snap, it is stuck in their minds."

Why don't the various classes sellowing gave his musical or ableasant surprise one day when he started the class by passing out new music instead of the same old pieces.

Some of the new popular songs which the orchestra has are "Jeaning "Beautiful Dreamer."

The band has a new novelty number of "Pop Goes the Weasel."

It also have the Seniors do. In case you don't believe me, a short stories. Now don't stories on the you have been writing short stories. Now on one could write short stories. Now on Now one could write short stories. Now one could write short stories

Why don't the various classes select bulletin board committees

Students Plan Y.M.C.A. Swimming Plans For Activities

In order to increase the variety of physical education activities evailable to students of A. C. S., Mr. Holmes, instructor of physical education, has arranged with the Y. M. ing of the officers of the grade re-C. A. of Hornell to bring students cently, committees were appointed certain evenings of the week to plans were made for what should be teach them swimming. The arrange-C. A. of Hornell to bring students certain evenings of the week to teach them swimming. The arrangements consist of teaching girls every other week on Tuesday evenings and boys the other weeks on Wed-

To the tired, defeated eyes of the skipper there came the sight of fiand. "Land," cried a hundred husky throats. And it came just in time, for had it not arisen on Oct. 12, Columbus might not have been activity be started, it would be conshle to keep order on a mutinous ship another day. Years might have passed before another daring explorer tried to sail "around" a square world.

Because of a ve., dition, those classes can be held only from 9 to 10 o'clock in the evening. This would, of course, cause the lour of returning to Andover to be nour of returning to Andover to be nour of returning to Andover to be and Leona Clark. Now that the time is nearing for the election of the Student Council we should be thinking about who we we should be thinking about who we want to be represented by. In doing this we should consider the ability that this person possesses. The one we may want may be popular but have no ability or desire to be a Student Council member. We want some one who is ambitious and enthusiastic about the Council. We want some one who has a bit of knowledge of parliamentary procedure and expense who can and with the council we want some one who has a bit of knowledge of parliamentary procedure and expense who can and with the council we want some one who has a bit of knowledge of parliamentary procedure and expense who can and with the council we want some one who has a bit of knowledge of parliamentary procedure and expense who can and with the council we want some one who has a bit of knowledge of parliamentary procedure and people on entering the library, the ability of the bulletin board. Mass Larkin has procused a piece of sheet music entitled "Falling Leaves," by two popular song writers. Around this center are autumn leaves and green leaves. The bulletin board is very with the procuse of the
