### THE JOYS OF BEING A JUNIOR

When a person goes to a party, he is not at all apprehensive and he is not being called "freshman" or "sophomore." He is just a "junior" and he is enjoying himself. ### WHERE ARE OUR CHEERLEADERS?

As I wander thru the halls I hear here and there comments on cheerleaders. We want cheerleaders who are full of pep and who have the ability to "lead" and lead a cheer with full meaning. We want cheerleaders who will represent our school and who will put the opposing team's cheerleaders in a "laugh" road when they try to "outdo" us. Have you the ability to be a cheerleader? If you have, why don't you try it? You might surprise yourself with your ability.

## Presentation of Student Council Members

This is to introduce to you the recently elected members of our Student Council. There are seven members in the council. They were chosen from the entire high school group and four were chosen by their respective classes.

Ann McDonough is a Freshman, and was chosen by the class to represent them in the Council. Anne is also president of the class and a very active student in A. C. S. Jane Glover was chosen by the Sophomore class to head them in the Student Council. Jane is a member of the Glee Club, and plays a great game of basketball. She is a popular student of A. C. S.

Paul Ryan was elected to the Student Council by the Junior Class. Right now he is busy securing his part in the Junior play. Paul is a devotee among his fellow students. Ken Galt was elected by the Seniors to the Council. Ken is a first string athlete and has his own car to drive to school. Ken is an outstanding Senior.

Nancy Steiner was one of the three members of the new Council who was put in office by the entire high school body. Nancy is a good basketball player and a popular "varsity" girl. She is a popular and active Senior.

John Lynch is another Senior and was elected by the whole high school. John is a former sports fan, and is one of the most popular members of A. C. S. Tom Ryan, president of the Senior class, was also elected president of the Student Council by his fellow classmates. Tom is a leading student in his class and is a very active member of the Student Council.
