I don't mean to be a grouch and go around spoiling everyone's high hopes of an ideal year full of beautiful resolutions but I think that this "I am not going to talk in study hall," stuff will do absolutely no good at all. If you aren't going to talk in study hall, why don't—you just stop talking and forget all this "bosh" about solemnly promising" to do it!

Weil, enough is enough. I could go on giving reasons why resolutions are silly 'til doomsday—but I won't. Just think this little problem over and come to your own happy conclusions about resolutions. I hope that you have just as good a laugh over them as I do.

## HOW TO START

Everywhere you turned this last week, the pupils around you were saying, "What's your New Year's resolution?" Then would follow the farcial attempt, "study more, horde, etc.!"

Don't think I'm saying that attitude is wrong. It's not—entirely, but how about Just making a school motto of the best one I've heard yet. "Do as well as you did last year"

"Do as well as you'll say "nix on that." They're always saying advance, better yourself, get 90 instead of 85 or 65 instead of 60. That's of 65 so fo instead of 60. That's horizontary individual, that last year, as it really was a pleasure. So went ho it was in the form of a broken record. JB

Yes, there's snow this Monday with abade plant of numerous A. C. S. students. But, two why, oh why, couldn't we have had yound that." They're always saying advance, better yourself, get 90 instead of 85 or 65 instead of 60. That's heart to be solved by Form Wellsville. Tommy Tucker-that if merely wanting snow would have been an abundance of it. Now that vacation has ended, it is collected that if merely wanting snow would have been an abundance of it. Now that vacation has ended, it is the public of right, too; but (again but) I firmly believe, along with that other solitary individual, that last year, as it is only human nature, you did your best (if you're not eccentric, you did), so this year just keep up the good work. If you know there is room for improvement, then of course, improve; if you tried your utmost last year and the year before good for you! That's all hat's incressary!

Last Thursday evening, Jan. 2nd at Social Hour, a new method of particular music for dancing was used. This method of using the public address system made our fattons are planning a skating party for all such members on Saturday evening. However, there is a catch to this plan, as in everything else. There must be at least 50 persons attending to forward such a party. Elaine Pope has, been givert the responsibility of taking down names of people desiring to go skating, so it is hoped that all "musicianas" of A. C. S. will make haste to sign up for a gay time at Funcrest.

FIRST LEAGUE GAME
AT WHITESVILLE

The Andover Purple Panthers will

The Panthers, not starting off the
season very well, are going to try

to start off the first league game by
a win. In the previous games the
main fault with the boys seems to be
the missing of so many foul shots.

Whitesville is believed to have
pout the same team back from last
year, while over there last year it
was a close encounter 21-16 in favor
of Andover. It is a very small count
and it hinders the boys because
every time they turn around they
are standing outside. The team has
been changed around a lot since the
first team and probably before the
first team and probably before the
many more. A few of the players
think they can skip practice and then
n play in the game, but they have been
surprised.

Andover does not intend to have

an easy time against Whitesville so

followed closely by Abbey with six points. G. Greenan was high scorer for the locals with six points and next G. Karcanes with four.

Wellsville took an early lead and hever was in any danger of losing it. The score at half time was 15 to 6 in Wellsville's favor.

The next game will be against Greenwood on the local floor Tuesday night.

The Andover high cagers won up on defense as did we all, their first game of the season Dec. 21, on the Greenwood floor by beating Greenwood 34 to 25. The locals canistee managed to nose out seemed much better on their shots.

Andover does not intend to have an easy time against Whitesville so let's have a bigger crowd at the game than we had at Wellsville. Come on and help the boys start the league off right. There will also be a second team game starting at 7 o'clock.

ANDOVER DROPS SECOND GAME TO

WELLSVILLE

The local cagers met with their third defeat of the season last Friday night when they lost to Wellsville on the latter's court 26 to 15. The Purple and White team seemed to miss a lot of good shots, not being used to the Wellsville backboards.

R. Munkus was the main threat for Wellsville, scoring nine points, followed closely by Abbey with six points. G. Greenam was high scorer for the locals in scoring, having seven the locals in scoring having the locals in scoring having

1 0 2 Belmont. So far this season we

2 0 4 have been victorious in only half of our games, but the ones lost are not against us as far as our league is concerned. Since this Friday's game be an important game myll be an important game, we should have a large representation at from the student body there. The still game will probably not cost over ten 1 or fifteen cents—so turn out for the game that will count!

### JAYVEES LOSE TO **GREENWOOD**

Again getting off to a slow start the Andover second team suffered
to a defeat at the hands of the Greenwood Junior Varsity Tuesday night,
losing 16-23. Minus their three best After losing to a powerful Wellser for the locals with six points while Muchler scored 15 for Greenback to defeat the Greenwood reserves 18-14 in a rough and tumble hattle on the Greenwood court.

In the last minutes of play with the game evened up, Dunham saved the day by a wonderful twies which gave Andoverthat well and the country of the local with six points while Muchler scored 15 for Greenwood.
