The Methodist Philathea Class is meeting with Mrs. Carrol Chase this afternoon for a work meeting and tureen tea. They will make arrangements for their annual May breakfast which will be held in the church dining room Thursday morning, May 1st.

The beautiful summer weather we have been enjoying for two weeks took cold Sunday night, grew worse Monday and Tuesday morning snow covered the ground on the hills and the mercury dropped to 30 degrees in Whitesville, ice forming in places. Forsythia and daffodils, in full bloom drooped and lost much of their beauty, but we hope for warmer weather.

Feed represents about one-half of the cost of raising a pullet, and more than half the cost of producing broilers.

THE HI HERALD

Who or what is the biggest bugbear in your family?—My brother.

Teacher's Interview

PRESENTING MRS. MORAN
We here present Mrs. Moran, one of the second grade teachers of Andover Central School:

My full name is Mary O'Boyle Moran and I was born in Andover. I attended Andover High School and my favorite subjects were history and languages. I wanted to be a primary grade teacher. I can truly say I have always enjoyed my work at my chosen profession. Last year I taught third grade in the same room in the old school where I attended third grade with Miss Mary Snyder as my teacher.

About the only thing that I can remember from school was the annual Senior trip to Washington, D. C. It remains the most outstanding experience of my school days.

My favorite recreation is cooking and I think that it is very interesting as well as recreational. My hobby is collecting and trying out recipes. My favorite sport is horseback riding. (I wish I could do more of it here, but there isn't much opportunity). My favorite book was "Gone With the Wind" and my best liked movie was "Knutie Rockne."

We wish Mrs. Moran much success in her chosen profession as teacher.

PRESENTING MRS. MacKAY

We here present Mrs. MacKay, the assistant first grade teacher:

My full name is Florence A. MacKay, and I was born in Elkland, Pa. I attended Elkland High School where my favorite subjects were science and art. I wanted to become a teacher even while I was in school. We had lecture and entertainment programs, dancing, skating, and sleigh-riding parties while I attended this school.

I think that my best liked recreation was ice skating and dancing while I was in school, but at present I like to listen to the radio most of all. My favorite movie was "Goodbye Mr. Chips," but I liked "Mr. Smith Goes to Washington" very well. My favorite sport is basketball. My best liked book is "A Peculiar Treasure," by Edna Ferber.

We wish Mrs. MacKay much success in her work.
