Approve Federal Milk Order

Will Be Place Milk Meetings And New York Middle of May

Syracuse, N. Y., teen amendments State milk marketing to increase return through the New York were approved by Metropolitan Co-operative Bargaining Agency meeting here delegates representing 600 dairy farmers.

Agency officials, these suggested changes in the form of will be presented to of Agriculture and V. Noyes and Secretary Claude R. Wick secretary will announce plans for public hearings suggested changes a agency will submit to state their suggestions hearings have been placed at Albany about the middle of (Chief among the ments was one increase of Class I, or full per hundredweight for further increases hundredweight for on-half cent advance of 22 score butter, 25 cents per pound. Another important whose sponsors said from two to two and per hundredweight milk, check, was freight rates so as the benefit of "sp" offered by most all over standardized. These special rates to meet truck companies have not been them in all cases. between the regular rates would represent to all producers.

Still another proposed the order would result for cream at a gain of fifteen cents per hundredweight, which would be provided for pricing "outside milk" the administrative prices in certain sections of the State to or they are too high to adjust them.

A proposed amendment to the provision order would increase and give him a share being made by New the sale of butter products. Another said between 15 a hundredweight to for all milk made cheese.

Other proposals, ones, dealt with the "handlers" and defined the "special" provided for ten handlers into the would benefit producers. "Our request for price for Class I milk by conditions of men today," declaration, president of the production costs are day and the price keeping pace with the farmer has with the draft, the labor and wages h workers are leaving work in munition and of others h into the army. This demand and receipt machinery is a machinery prices are prices are up and it is almost certain will pay higher transportation of the National gram.
