## WHY IS HYDRA-MATIC DIFFERENT ?

AS SIMPLE AS -  
**2+2=4**

FLUID COUPLING + FULLY AUTOMATIC TRANSMISSION =

Built and backed by General Motors - offered in Oldsmobile!

FLUID coupling is just one part of Hydra-Matic Drive. Hydra-Matic includes also a fully automatic four-speed transmission. It's the combination of the two that permits elimination of the clutch pedal and all manual shifting of gears. Both are necessary to give you the stepped-up performance and the completely automatic operation that you get only in Hydra-Matic Drive. Come in and try the one drive that goes all the way to make driving simpler, easier and safer!

\*OPTIONAL AT EXTRA COST

Fluid coupling alone can do much to make driving easier. But it can't eliminate all manual shifting. Only Hydra-Matic is completely automatic. (Prices and Specifications Subject to Change Without Notice.)
