### OLDSMOBILE'S HYDRA-MATIC DRIVE PUTS CLUTCH PEDAL ON THE BENCH! In an Olds Hydra-Matic, the conventional clutch is A clutch pedal plays no part in the game, replaced by fluid coupling. This is made possible by when you drive a Hydra-Matic Oldsmobile use of a fully automatic transmission. Hydra-Matic Drive eliminates the clutch pedal completely—and it's the only drive in the world that does. Hydra-Matic climinates manual gear shifting in the forward speeds, too - and that, again, is an exclusive Hydra-Matic feature. Other devices have names that imply automatic driving - make claims to "no-clutch, no-shift" operation, under certain conditions, Yet, no matter what the others say, these facts remain undisputed: Only Hydra-Matic is completely automatic! Hydra-Matic steps up getaway, saves gasoline and enlivens all-round performance. Gear Shifting Goes "Back To The Minors" Try Hydra-Matic and you'll quickly conclude From first to second, second to third and third to fourth -all shifting is automatic in a Hydra-Matic Oldsmobile. it's the only drive for you! **★ OPTIONAL AT EXTRA COST**
