### Appeal for Children's Camp Contributions

Your child is well and happy; he lives among pleasant surroundings and you make life as easy for him as you can. There are hundreds of children in Allegany county who are not as fortunate as your child. They are undernourished and sickly; their homes are poorly furnished and dreary. Once each year however, these children are given a taste of the pleasant life when they go to the Allegany County Children's Health Camp at Cuba Lake for two weeks.

This camp, operated by the Allegany County Health Association, however, is run under a handicap. There are limited funds for its support and a great many of the things that would increase its efficiency and beauty are dependent upon contributions of friendly, sympathetic residents of the county.

Why not help make this two week vacation of some unfortunate county youngster the happiest this year it has ever been? Many things are needed at the camp that may possibly be gathering dust in your attic. Why not take an inventory today and see if you have any of the following articles:

Lawn or beach chairs, lawn and porch swing, large davenport or couch, chairs, straight or rocker type, small dresser or commode, dinner plates, cups, soup bowls, sauce dishes, all kinds of games, small scissors, with rounded ends, small paring knives for soap sculpture, ping pong and large rubber balls, small shovels and buckets for sand.

Anyone desiring to contribute any of the above articles are asked to call this newspaper office and the articles will be called for.

Various phases of the general theme of personal religious living were presented in sermons and addresses at the six sessions, by Rev. Marion C. VanHorn of Salem, W. Va., Rev. Everett T. Harris, Alfred; Dr. Benj. R. Crandall, Alfred; Mark Sanford, Little Genesee; Wayne N. Crandall, Canisteo, and A. D. Button, Friendship.

Worship services were conducted by Rev. E. F. Randolph of Alfred Station, William Thompson of Hebron, Pa., Donald Phillips, Hartsville, and Alton Wheeler and Chas. Bond of Alfred.

Special music was given at the young people's program by a quartet from Little Genesee. The Alfred choir, under the direction of Professor Wingate furnished music at the regular church service, and a men's chorus gave three numbers at the laymen's hour in the afternoon. Mrs. Donald Phillips sang Saturday night and a duet was rendered by young people from Alfred Sunday morning.

The officers elected for the coming year are Moderator, Wayne N. Crandall; Recording Secretary, Miss Martha Bottoms; Asst. Rec. Sec., Miss Hilda Clarke; Cor. Sec., Mrs. Edna Pierce and Treasurer, Elmer F. Cowles.

Meals were served very efficiently at the parish house each day, by the Independence Ladies Aid and on Sunday by the Andover Ladies Aid.
