WHEN you are casting your ballot for Sheriff, I am hopeful that vou will give fullest convideration to the record term. I urge you to look into that record from any angle and to familiarize yourself with the economies and accomplishments which were achieved.

When I sought election for my first term, I promised —Mr. and Mrs. Norman Joyce, the economies and efficiencies that a business requires. THOSE PROMISES WERE CARRIED OUT If nominated and elected, I will conduct the office in the same satisfactory manner, cooperating with State Police and all other Law enforcement agencies
