New

Steuben Silk Moving Into Old School

Arrangements have been made by the directors of the new Andover Industrial Association, Inc., with the Mills for that company to move from Bath to Andover. Workmen started in on the remodeling of the old school building, which consists principally of stage in the auditorium and more floor space for the equipment into Monday and now the looms on the floor connect up. For the company plans to install which they will operate along with the warping machines to take the weaving process. The personnel of Messrs. F. V. Conroy and B. L. Leibengut Wayland men who were business for years in Hornell, before establishing their own in 1913 years ago where the business has outgrown mill space. The general Andover highly respect for their individual knowledge of the company, known as Ben Silk Mills ("Home Fabrics") are commission one of the largest cotton York City and now of a thousand pounds of the Andover. Mr. Allen told the start weaving within weeks and that experienced weavers, leaders and warpers were accepted by him any Andover people of hand of welcome to and bespeak for the success.

Notice of Public
