Survey by Senator Desmond Reveals Few Motorists Understand Highway Markings

Do you know the meaning of the white markings painted on our highways? If you do, you are one of a select minority, according to a survey just completed by Senator Thomas C. Desmond, of Orange "Only one out of three drivers." says Senator Desmond. "'s fully familiar with the meaning of the pavement lines. A high percentage of

accidents is caused by failure to understand and obey the warnings which they should travel. They should not cross broken line unless passing another car. Crossing the broken line is not necessarily (----) is used to divide opposing traffic. It should be crossed only under any motorist who crosses it is taking a charice of a head-cu collision

igment and cross if safe to do so. If the solid line is on the driver's on our highways to reduce the number of accidents and expedite the
