NEED MONEY

Here's How a **Housewife Got** \$9.75 From a **50c Investment**

She got it without delay - or magic. Read her one-minute story:

The lady needed some money and didn't know where to get it. But she stumbled into an idea in the attic. That useless baby carriage. She did not need it again. Hundreds would. Why not sell it? But she couldn't think of a prospect.

Another idea hit her. Most everybody reads the newspaper. Some of them would be needing the carriage. And so they did. She got seven calls the very next day. You know the happy ending — sold for \$9.75. Not bad for 50 cents.

Maybe you don't have a bear carriage. But you have something you don't need, to turn into cash ... that old bed - dresser - the golf streks radio - musical ilietrament Cer it. out of the way. Turn H' blue cash. Call us now and run a classified. It Will bring with
