Current Comments QUIZ PROGRAM-WHEN?

Last year A. C. S. students en-oyed many and varied forms of last year A. C. S. students enjoyed many and varied forms of quiz programs sponsored by the Student Council. There were quizzes between classes, and among the teachers. Since these programs were enjoyed so much, why can't we have more of them this year? The Student Council has been organized and is now in motion, full steam:

Why not apply a little of that steam in the direction of good quiz programs? How about the week after Thanksgiving for time, the funnor and Senior classes as participants, and a committee of teachers for judges?

How to Help the Juniors And Uncle Sam

The previous writers in this column have pointed out many advantages of school clubs. I agree with them that many clubs such as a Dromatic Club, Science Club and Varsity A Club would be welcomed by students. However, I am going to try to present the views of the Student Council concerning such organizations.

The pride of every states—Join with us young lads—Join with us young lads—Join with us young lads—Join with us young lads—Join with us young lads—Andiver High School, now we cheer them that many clubs such as a Dromatic Plus School, and the property of the pride of every states—Join with us young lads—Join with us young lads—Join with us young lads—Andiver High School, now we cheer them that many clubs such as a Dromatic Club, Science Club and Varsity A Club would be welcomed by students. However, I am going to try to present the views of the Student Council concerning such or the pride of every states—Join with us young lads—Andiver High School, now we cheer them that many clubs such as a Dromatic Club, Science Club and Varsity A Club would be welcomed by students. However, I am going to try to present the views of the Student Council concerning such or the pride of every states.

Student Council concerning such organizations.

To prevent overcrowding of the school program, the Student Council hopes to sponsor the clubs which will serve most effectively the needs of the Andover students. Clubs should not be started just for the sake of wasting either the teacher or student's time. Clubs can only claim their existence when there is a Gemand for them on the part of students and when there can be found a sponsor who has the time to advise the members in their activities. It has been suggested that the Student Council prepare, with the aid of the teachers, a check list of possible clubs. Each club would be described so that every high school student could select the organization he would prefer. In this way, we can initiate a program which is going to be of great service to the student and prevent useless which is going to be of great service to the student and prevent useless activities which will waste every one's time and energy.

I tag Arthur Temple for next week's article on clubs.

William H. Maloy

High School Honor Roll Announced

At the assembly Friday morning, Mr. Bretach read the names of those who are on the honor roll for the second five weeks test period. First honors, with an average of 90 per cent in three major subjects and none below 85 per cent, were award-dd-to:

Barbara Brownell
Wanda Dolan
Gloria Ellis
Albert Fisher
Victor Oakes

Marian Stevens
Second Honors, with an average
of 85 per cent in three major subjects and with no subject below 80
per cent were achieved by:
Jean Button Norma Crowner
Wilma Goodridge
Anna Hardq Patricis Lynch
Claime Pope John Potter
Veronica Ray Jean Rogers
Doris Sick Ruth. Slocum Doris Sick Craig Snyder

Students Have Perfect Attendance

Assembly

Last Friday morning the pupils of A. C. S. and some townspeople enjoyed a very interesting assembly. The assembly started with the salute to the flag, led by Faul Ryan, president of the Student Council. Mr. Bretsch then introduced Mr. Sam Grathwell, a personal friend of J. Edgar Hoover, who gave some very interesting sidelights on the work of the F. B. I. and the requirements for joining it.

Contrary to general belief, the members of the F. B. I. call themselves "D-J Men," instead of the universally used term "G-men."

This name is derived from the official rating of the F. B. I. which comes under the Department of Justice.

Strict physical requirements are seesary in those desiring to join the F. B. I. Besides having good by hysical bodies and perfect vision, unusually keen hearing is necessary. In F. B. I. agent must be able to hear an ordinary conversation at a distance of 20 feet.

Che of the most necessary requirements is a good background and character. All applicants are rejected.

Mr. Garthwell closed his speech by reminding the pupils that crime not only doesn't pay, it can't pay, and all those who take the "easy" road end up in "sery or disgrace.

History of Our

Alma Mater

Has done all the worrying as to amount and payment of taxes. But now, Mr. Public's son, John Q., John C., and John Martin Marker.

To all admission prices of ten cents or more, a ten per cent luxury tax is being added this year.

We are proud to have the privilege of paying taxes for the benefit of democracy. The pennies and nickels which we add to the admission price of the Junior play will go towards our Defense Program. So, don't grumble over having to pay a penny or two extra, but remember that you are doing your bit toward helping to obtain world peace.

John Q. Public, both Junior and Senior, will do their bit by attending the Junior play "Some Call tower," and gladly paying the tax. JB

Fashions and Fads

WE'RE SEEING RED!

PRESENTING . . MISS MAHL
Full name:

MARIE EVELYN MAHL.
Birthplace: Springville, N. Y.
Iligh School attended—Griffith
Institute.
College attended—Buffalo State
Teschers.
Earliest ambition?—To be an art
teacher.
Favorite:
Subject: Art.
Hobby: Music (she plays the bass
viol.)
Song: "It's So Peaceful in the
Country."
Book: Cookbook.
Author: I like them all.
Movie actor: Jimmy Stewart.

Metric SEEING RED!
Everyone reads of the everchanging college fads which spread over
the country like wild fire—so that
one over knows whether one is in
or out of fashion.
The favorite color at present, seen
in everything ranging from boats to
hair ribbons, is red.
The latest fad is being sported
by Anne McD. and is in the form of
braids. She must have read the
article in "life" which tells about
this fad in the colleges.
During the recent snowstorm, as
very popular fashion ran rampant
when nearly everyone appeared at
school wearing boots. The favorite
color. for them seems to be white.

color for them seems to be white, calor for them seems to be white, altho several pairs of brown, red and black were noticed. Not only are the high school girls wearing them, but also the grade children. Another fashion which is becoming more popular is jerkins. A few of the girls are wearing them and it is believed that they will become as popular as are knee socks (when it gets colder.)

Students Become **Guides for Parents**

Last week, Wednesday thru Friday, was observed by A. C. S. students and their parents as American Education Week. It gave parents and friends of the students an opportunity to observe the school life and the mechanism of our school when in action.

when in action.

Various students, as well as members of the Student Council, were stationed in the main corridors of the building at desks where information might be obtained from those visitors requesting it. Altho this was the first time such a procedure of was carried out, the goodly number of visitors who took advantage of it proved it to be well worth while.
