SAVE 10 TO 15% ON GAS! WITH GENERAL MOTORS' PROVED

MOST EVERYONE knows Hydra-Matic Drive*is a work saver. Bu few realize that it's a gas saver. too. Here are the facts: Hydra-Matic is engineered with four speeds forward. That permits Hydra-Matic 2.130 feet as against

slower engine speeds. In fourth SHIPT! speed, for example, 1,000 engine revolutions will propel your Olds 1.700 feet for a similar car with standard transmission. Hence, you get more mileage on gas — or, conversely, save gas on any given trip. Then, too, Hydra-Matic's automatic shifting prevents lags and consequent waste of fuel. The net result—gasoline savings of 10 to 15 per cent. Why not drive the easy Hydra-Matic
