Thousands of Motorists This Way

Learn How New York Motorists Saved Over \$796,000 Through Lumbermens Last Year

Authorities agree that the wisest thing for you to do now—since the passage of the new Safety Responsibility Act—is to purchase automobile insurance. And motorists agree that you should buy Lum-Last year, Lumbermens wrote more in automobile insurance premiums than any other company on this continent.

Last year, Lumbermens saved its policy holders —in New York State alone—over \$796,000 on the cost of their insurance.

Buy Insurance on the Budget Plan

These motorists wanted security—the outstanding strength of conservative management for which Lumbermens has been well known since its organization in 1912. And they wanted nation-wide claim service, the type of service available to Lumbermens policyholders thru over 70 branch claim offices and hundreds of claim representatives from coast to coast in this country and Canada.

In our community, they have discovered they it may have the protection of this big \$40.000.000 new safety responsibility act on our plan?
