#### HELP THE RED CROSS!

The United States is engaged in a long struggle with the Axis powers. It is evident that with wars come destruction, famine, poverty, and want. When such conditions as these exist, there comes an ever-increasing need for help.

Who comes to the rescue? Many charitable organizations are active but the Red Cross is predominant! It is willing to help, it is willing to go any place on the hemisphere to help those in need of clothes, food and hospital care.

It is our duty, every single one of us, to help such a worthwhile organization by contributing a penny, a nickel, a dime or whatever one can give to the Red Cross Fund.

So I say, students, it is your war and my war. You and I both must help win it. Make sacrifices! Help the Red Cross. Perhaps we ourselves will need its help before the struggle has ended. Give, and give generously!

### Current Comments

#### QUIET, PLEASE!

Next week the entire school will be busy trying to do its best on Regents examinations or semester tests. To do one's best, it is necessary to concentrate and no one is able to concentrate amid loud and frequent noises. So, the causes of the disturbances must be eliminated.

Students, if you expect others to remain quiet while you are working, please do the same for them.

While the examinations are going on, do not remain in the halls or anywhere in the school building. All marks will be posted on the outside door by the office, so there will be no need to enter the school unless you have a review class or an examination.

Think of others, students, and keep the halls quiet.

### Ag. Boys Attend Dairy Meeting

Last Thursday afternoon the agriculture pupils of ACS met at the Grange hall to hear Charles Dumont speak for their benefit.

Mr. Dumont, official of milk marketing co-operation, spoke on that subject.

The students were excused from school at 1:30 p. m., and returned at 3 o'clock, after the meeting was over. Those who attended reported it interesting and well worthwhile.

### Adult Night Held

The Seniors held their first adult night of the year Wednesday evening, Jan. 7 and made a fair profit despite prevailing adverse weather conditions.

Ping-pong, shuffleboard, basketball, dancing and volleyball were enjoyed by the adults and a lunch of coffee, sandwiches and cookies was served later in the cafeteria.

The voluntary contributions of those present amounted to four dollars. The Seniors are planning another such night in the not too distant future.

### Faculty Organizes Badminton and Bowling Teams

The faculty club of ACS has started an intensive sport program. During the winter months the program will consist of badminton and bowling. Every Sunday afternoon at 2:30 the faculty under the direction of Mr. McKibben and Miss Mahl, plays badminton in the school gym.

The faculty is also planning on taking several trips to Hornell and Wellsville to bowl. Mr. McGee is the head of the activity and the trips will probably be made on Tuesday nights.

### Examination Schedule Is Announced

Mid-year examinations for the Junior-Senior high school will be held during Regents week, January 19-23.

A full half day is provided for all examinations, each of which will begin promptly at 9 a. m. or 1 p. m. High school students need report to school only when they have an examination scheduled. This applies to high school students only, however. Grade students must report every day, unless otherwise announced.

Following is the examination schedule for the week:

**Monday**  
9 a. m.—Geography, R; History B, (R); Am. Hist., (R); English 4; Bus. Arith.; French 2; Gen. Science; Typing (4th); 7th Read. and Spell.

1:00 p. m.—El. History (R); Economics (R); 9th Soc. Studies; Geometry; Ec. Geography 1; Home Economics 6; Agriculture 3.

**Tuesday**  
9:00 a. m.—El. English (R); Pi. Geometry; 9th Homemaking; History B; Typing (5th); 8th History; 7th Science.

1:00 p. m.—Spelling (R); Reading (R); Chemistry (R); Biology (R); Chemistry; Int to Business; English 2; 7th Arithmetic.

**Wednesday**  
9:00 a. m.—Arithmetic (R); El. Algebra; Latin 3; Physics; Book-keeping 1; Agriculture 2; 8th English; 7th Soc. Studies.

1:00 p. m.—English 3; History C; English 1.

**Thursday**  
9:00 a. m.—Trigonometry (R); History A (R); Homemaking A; Latin I; History A; Shorthand 2; 8th Mathematics; 7th Soc. Studies.

1:00 p. m.—Biology; Agriculture 1.

### Ag. Classes Held In Science Room

Monday morning the Ag. pupils and the science pupils "exchanged rooms" so that the Ag. students could see two movies to be shown in the science room.

The movies were on the "Purina Mills Experimental Farms."

One of these "Hidden Harvest" was the story of a farm family that discovered the "hidden harvest" of farming thru better methods. One section contained a visit to the Purina farm.

The second film "A Hen Makes An Egg" showed the internal egg-making machinery of a hen, in color. All of the digestive and reproductive organs were shown at work converting feed into eggs.

### Presenting . . .

MISS SNYDER

Miss Elizabeth M. Snyder, now secretary of the Andover Central School, was born in Andover, New York and attended the Andover High School. She was also a student at Alfred University and her most outstanding event in college was graduation, said she. According to Miss Snyder, the most humorous event that she can remember from her high school days was a Latin play. The play centered around a Roman wedding in which a cake played a part. At the end of the play when the curtain had been drawn, the characters began gorging themselves on the "culinary achievements," and all seemed well. But, because of an accident on the part of the stage manager, the curtain was opened—revealing the unscheduled feast to the pupils who were filing peacefully out of the auditorium. Miss Snyder did not disclose the results of that accident, however.

Miss Snyder's aim while in high school was to be a teacher. She says that AHS compared favorably with our ACS except that it was smaller, of course. However, it had its outstanding events, such as plays and an operetta or two.

**Favorite—**  
Subject: Latin.  
Song: "White Cliffs of Dover."  
Car: Ford Deluxe.  
Food: Pumpkin pie a la mode.  
Book: "Let the Earth Speak."  
Color: Red.

**Recreation: Dancing.**  
Sport: Starting the Ford on these cold mornings.

Miss Snyder has been a good friend to the students and faculty members as well as a good secretary.

### Dairymen Again Sponsor Essay Contest

The local Dairymen's League has announced that the league will again sponsor an essay contest in the high schools located within the sub-district, including Andover High School. The topic chosen is "Equality for Farmers Thru Co-operation."

Prizes of \$2, \$1.50, \$1.00 and 50c will be awarded to the four best essays written in the Andover school. The contest is open to any high school boy or girl and the winners of the local prizes will have an opportunity of entering the county contest for additional prize money.

The essays will be judged by a committee representing both the Dairymen's League and Andover Central School. All essays must be completed by Feb. 15.

**Red Cross Assembly Held**  
Sid Miles Addresses Pupils and Shows Movies

What we, the pupils, can do to help our country in the war was explained in an assembly held last Friday morning with Sid Miles, Wellsville physical education instructor, as guest speaker.

The assembly was brought to order by Paul Ryan, president of the Student Council, who led in the salute to the American flag. Principal Bretsch then introduced Frank McKibben, Junior high teacher, who has submitted his resignation to the Board of Education and is planning on joining the armed forces of America in the near future. Mr. McKibben gave a short message in which he gave his viewpoint of the war and why he felt impelled to volunteer his services.

Mrs. Hazel Atwood, local chairman of the Red Cross drive, next outlined the job which the Red Cross is facing and expressed the hope that ACS will help to make the local drive a success.

The main part of the program consisted of a short inspiring message by Sidney Miles of Wellsville and a moving picture show describing the work of the Red Cross in peace and war time. The movies were enjoyed very much by the pupils and their appreciation is extended to Mr. Miles for making it possible for the show to be presented.

The assembly was brought to a close with the singing of "America" by the student body and a short pep meeting led by the cheer leaders.

The ACS band furnished music for marching in and out of the auditorium.

### We Welcome Miss Jaekle

We A. C. S.'ers have a new student among us, who will remain with us for the rest of the school year. Her name? Miss Jeanne Jaekle, a sister of Miss Ethel Jaekle, the 8th grade teacher. The young lady is from Silver Creek, N. Y., and has taken her place in the eighth grade homeroom.

We hope she likes our school and we will try in every way to make her feel at home.

### With Needle and Thread

The Homemaking A girls have been making vegetable and fruit salads. If they would only pass them around!

The ninth grade homemaking class is studying the caloric value of different foods. Now they'll be able to "watch the calories."

Seventh and eighth grade homemaking classes are divided into four groups: cooking, sewing, grooming and housekeeping. Every five weeks the girls rotate from one group to another so that at the end of the semester each person has had five weeks training in each course.

The future Red Cross training classes will be held in the Homemaking Room. Eventually a bed will be installed for the demonstration purposes of this class.

On display is an attractive bulletin board illustrating colorful salads good for all seasons.

**But Weigh Them, Too**  
Englishwoman (in Scotland): "I want a sheep's head, and it must be English."

**Butcher** (flinging a head to his assistant): "Here, Jock, take the brains out o' this."

### CHIT CHAT

Ice skating seems quite the fad now, next to square dancing. Who knows but what Andover's pond will be the producer of more Sonja Henies?

What was the contents of the large package brought home by the Hardy sisters? Could it be their long awaited for ice skates?

What has happened to the Social Hours that used to be? If a better attendance isn't produced after mid-year's, perhaps there'll be no more. What can we do about it? Come!

Only one more day to bring your contributions for a worthy cause—the Red Cross. Let's make this drive 100 per cent.

By the way, tomorrow (Friday) a big square dance is being held in the A. C. S. gym for the benefit of the Red Cross. Come and spend an evening of fun and thrills (?) and pay tribute at the same time to the Red Cross.

What's this rumor we hear of a could-be party to be held following the dance, Friday? We're all behind you, Barb C.

Someone still wonders who was behind the unidentified phone call for Holt's station Saturday?

When do we engage in another roller skating party? Funcrest is waiting and able to provide for a merry time.

Stan's victrola-radio combination works wonderfully, think six individuals.

What some Bus. Arith. students need as aid in solving problems is a more extensive vocabulary. Then maybe such words as "compute" would be understood.

Pat Lynch has some new and stylish boots. Different from most of them.

The band is considering a skating party at last.

Review classes are being held thick and fast with Regents only a few days away.

The band has a new member, namely Jeanne Jaekle, who adds tremendously to the trombone section.

The baritone section of A. C. S. band really proved its genius Tuesday in the playing of one selection until its memory failed. Then—

Why does Elaine play "What Goes Up Must Come Down" so often these days?

### Henry Antan Wounded In Action

Suffers Injuries at Pearl Harbor

Henry Antan, U.S.N., better known as "Hank" to the students of ACS, was listed by the Navy Department as being seriously wounded in the Japanese attack on Pearl Harbor, Dec. 7, according to a recent Hornell Evening-Tribune news item.

Definite details about his condition are unknown however.

### Hi Herald Has Permanent Meeting Place

The Hi Herald members finally have a permanent meeting place for their regular meetings Thursday afternoons. Tonight and from now on meetings will be held in Room 206, which is always vacant at this hour. Since this room, besides being vacant, is fully equipped with cupboards and desks, it is a great improvement over previous meeting places, which have been wherever a room could be found not in use.

### Senior Interview

Full name: John Patrick Charles Dean.  
Date of birth: March 17, 1926.  
Birthplace: Andover, N. Y.  
Who was your first teacher?—Miss Leo.

Can you recall anything "very" exciting during your childhood?—Pitching three innings against a baseball team at Wellsville.

What is your version of a perfect girl?—A cross between Betty Grable and Alice Faye.

What is your favorite: Song hit: "Chattanooga Choo-choo."  
Car: Buick Special.  
Food: Chocolate pie.  
Color: Red.  
Movie: "International Squadron" or "Knute Rockne."  
Book: "The Sea Devil."  
Sport: Baseball.  
Hobby: Roller skating.  
Actor: Tyrone Power.  
Actress: Betty Grable.

What do you intend to do after graduation?—Become an aviator or baseball player.  
John is a popular young Senior. He is vice president of his Senior Class and secretary-treasurer of the Student Council. During his entire four years John has been an active participant in baseball, basketball, football and track.

### PURPLE PANTHERS SWAMP JASPER 42-10

A powerful high-scoring local five invaded Steuben territory last Tuesday evening and rode over Jasper by a one-sided 42-10 score.

This game marked the first for the locals after a two-week Christmas lay-off and the locals were "red hot and couldn't miss."

"Naze" Dolan was the outstanding player of the evening, dropping them in from all over the court, while Stan Ruger was putting them in from around the basket. "Naze" totalled 18 points for the evening, while Stan stayed close behind with 14. "Slip" Karcane, "Chuck" Holt and Paul Dunham also turned in a good game. Hunt was high for Jasper with three points.

**Andover (42)**  
Karcane, lf ----- 2 0 4

Totals ----- 4 2 10

**Wildcats Drop Thriller To Jasper 18-16**  
An undefeated Jasper second team met with its strongest opposition of the year last Tuesday evening when a scrappy Andover Jayvee team came within two points of taking it over.

"Jim" Driscoll and "Dick" Ludden were outstanding for the locals, "Jim" with his expert passing and "Dick" with his dead-eye shots. "Dick" totalled eight points for the evening while "Jim" dropped in four.

**Wildcats Edge Out Scio By Two Point Margin**  
The Andover Wildcats nosed out the Scio Jayvees by the score of 19-16 Friday night. Andover's high scorer for the evening was "Zeke" Shellman with a total of eight points followed by Dick Ludden with four, while Driscoll and West played a wonderful defensive game.

Rowe was high scorer for the Scio team with nine points. The locals need a win over Richburg tonight to complete a perfect first half record.

### Vaulting Box Delivered to Jasper

A vaulting box was delivered to the Jasper Central School by the F. F. A. last Thursday. It was made by the ag. pupils under the direction of Mr. Fribolin.

Last fall the boys contracted to make this vaulting box for \$25. A vaulting box is a piece of equipment used in physical education.

### FOR VICTORY.

### LOCALS TRIM SCIO 43 TO 17

The Purple Panthers moved a little closer to the top in C-2 competition by upsetting an outclassed Scio team 43-17 in a game played on the local court last Friday evening.

The local boys took the lead early in the game and increased it throughout while substituting freely.

"Naze" Dolan and Stan Ruger again held scoring honors for the locals in marking up their second league win. Stan totaled 12 points for the evening while "Naze" dropped in ten.

**Summary:**  
**Andover (43)**

### Andover Central InvaDes Richburg Tonight (Thurs.)

The local cagers will journey to Richburg tonight to battle for second place in Class C, Division 2, by playing a powerful Richburg team.

Richburg lost to Whitesville C-2 league leader by a close one-point margin last Thursday evening on the Richburg court.

This game with Richburg will be one of the most crucial of the year. Andover needs this win badly to stay in the fight for Class C honors.

The locals face probably a tougher team in Richburg than in the lucky Whitesville five who defeated Andover 22-18 here before the Christmas vacation.

### One Reason

"I can never find a thing about this house," grumbled the husband. "I would certainly like to know where my hat is."

### Signals

Wife: "It's nearly six weeks now since baby was born. Have you told the registrar yet?"  
Husband: "If he lives anywhere within a few miles radius of this house he won't need to be told."

### Voorhees H

(Mrs. Raymond Church)

Jan. 13.—Mr. and Mrs. Adams attended the funeral of Jan. Hadley at Jasper, N. Y.

Mrs. Raymond Church and family visited friends in Andover on Monday.

Mr. and Mrs. Abram S. Rosalyn Cary were business in Hornell Monday.

Mr. and Mrs. Roy V. and family called on his Mr. and Mrs. Perry Van Whitesville Sunday afternoon.

Mrs. H. B. Adams spent day with Mrs. Julia M. Teresa Brown in Wellsville. Ernest Wesche of Andover Sunday with Mr. and Mrs. Slocum.

H. B. Adams attended State Potato Club meeting in Wellsville Thursday.

Mr. and Mrs. John S. family of Wellsville spent afternoon with Mr. and Mrs. Adams.

### South Hi

(Mrs. Earl Schoover)

Jan. 12.—Mr. and Mrs. Clark and son Bruce went shopping in Wellsville.

Mrs. Howard Dean and thony Dougherty attended funeral of Mrs. Mary Lake in Monday.

Mr. and Mrs. Everett Wellsville shoppers Saturday. Miss Dorothea Schooner Friday with her sister M. Barney at Independence.

Mr. and Mrs. Howard attended the banquet of the Producers at the Grange Andover Thursday evening.

Mr. and Mrs. Charles on Stephen Felowski's Monday.

Mrs. Newton Clark called on Eta Trask Monday forenoon.

### "A W

The President, in a Congress, said he had directed agencies to arrange schedule of war production for 60,000 planes in 1942, 45,000 combat craft, and 1943, including 100,000 units; 45,000 tanks in 1943; 75,000 in 1943; 20,000 guns in 1942 and 35,000 8,000,000 deadweight tonnage ships in 1942 and in 1943.

The President told would order the U. S. to a world-wide front enemy and "hit him a again whenever and we can reach him." He forces would take up necessary in the British Far East and on all bases within and without World necessary to protect hemisphere.

The President proposed expenditures in the fiscal \$77,000,000,000. Of that 10,000,000 would be for said total war expenditure at the rate of approximately \$5,000,000,000 a month pass \$5,000,000,000 a month fiscal 1943. The President could not predict ultimate cause I cannot predict fortunes of war," but an increase in tax cost \$27,000,000,000. He Congressional consideration come taxes collected a payroll taxes, excise tax on State and local bonds.

Mr. Roosevelt said for farm aid, work relief aid would be reduced by the 1942 fiscal year from last year and will another \$860,000,000 year when the total cost 400,000 or about half for the present year.

**Production Progress**  
The Office for Emergency reported increase in aircraft production in the industry, and in the types of planes produced in almost every month additional plants will be added to the production of industrial goods.

The War Department least one plant of each type required for the program was completed making a total of 28
