

Local Happenings

Elmer Kaple is very ill at his home on Water street.

Mrs. Emereta Rex of Dansville is assisting in the home of Mr. and Mrs. Fay Wheaton.

Mrs. Catherine McGinty is assisting in the home of Henry Horan on Chestnut street.

This is lilac week in Rochester, where the lilacs are said to be very beautiful in Highland Park.

Charles Updyke was taken to the Jones Memorial hospital in Wellsville last week for treatment.

Mrs. Leon Cook started work this week as assistant cook at the Andover Central School cafeteria.

Mrs. Maude Clark is assisting in the home of Miss Mary Snyder who is convalescing from an attack of grippe.

Andover's share of the franchise tax money distributed last week by County Treasurer Frank L. Gere was \$121.52.

The Woman's Christian Temperance Union will not meet on the 19th. Look for the time and place in next week's News.

Mr. and Mrs. Clarence Kemp moved Saturday from the Baker house on Baker street to the George Alvord farm on Joyce Hill.

The Rebekah lodge will serve another of those popular three-cent suppers next Wednesday evening at I. O. O. F. Hall. You are invited.

W. D. Hunter received an order this week for 4500 feet of seasoned lumber from the Alfred Building Association. Deliveries will begin at once.

The O. E. S. Circle Club will meet at the home of Mrs. Arling Baker Friday afternoon at 2:30. Mrs. Baker and Mrs. Robert Common hostesses.

A car belonging to Fred Dannheim of Allentown which was stolen from the Erie parking lot in Wellsville Sunday evening was found stuck on a dirt road near Millport, Pa., the next day.

The firemen were called to the Dougherty home on Chestnut street Friday afternoon to extinguish a chimney fire in the apartment occupied by Mrs. Etta Monte.

Mrs. Leo Horan entertained the Pinocchio Club at her home Thursday evening. High and second high honors were awarded Mrs. Edward Kilbane and Mrs. John W. Cannon.

Home relief costs for April totaled \$8,837.02, according to a report from the Allegany county welfare office. This is about \$600 lower than the previous month. There are no employable people on the county relief rolls according to the report.

The Red Cross has urgent need for more workers. A new shipment of materials has arrived which can be distributed at the hall which is open every Thursday from 1 to 4 p. m. Materials are on hand for sewing for the hospitals, sweaters, mittens and other sewing. All those who can be asked to do their bit in this work.

A Stanley party was held at the I. O. O. F. hall Wednesday afternoon.

Lightning struck and burned a barn on the Frank Burlingame farm near Belfast last week.

Mrs. Alois Kellenberger was admitted to the St. James Mercy hospital, Hornell, Monday afternoon.

Decatur Clarke has moved his family from Whitesville to Greenwood where he will manage the GLF plant.

The W. R. C. will confer initiation at their regular meeting this Saturday evening. A good attendance is desired.

The local Home Bureau members are attending an achievement day county meeting being held today (Thursday) at Angelica.

The Seventh Day Baptist supper to be held Tuesday, May 19 at 5:30 p. m., is an invited or hostess supper held at the home of Mrs. W. L. Greene.

Blaine Jordan, Jr., 7 of Wellsville is in the Jones Memorial hospital in a serious condition caused by falling on a glass bottle which he was carrying. The broken glass cut thru the upper abdomen and lacerated the stomach walls.

The S. D. Baptist Ladies Aid Society met at the home of Mrs. W. L. Greene for their regular work and business meeting Wednesday afternoon. The ladies were busy with needle work for their annual sale. Mrs. F. S. Potter, president, was in charge of the business meeting. A social hour and a fine thirteen dinner was enjoyed at the close of the meeting.

The Woman's Society of Christian Service of the Methodist church invites the women of all the churches to meet with them the afternoon of May 20th at 2:30. The object of the meeting is three-fold, namely to increase Christian fellowship and unity; to plan for our youth and children; to strengthen each other in the task that lies ahead of us as we now at war build for peace. Each church is asked to contribute something toward the program. Special music, readings, tableaux, games or stunts. Each church is asked to consider the things worth while to be discussed at this meeting. A cordial invitation is extended to every woman of the community.

Attend Herman-Tutzman Wedding

Mr. and Mrs. Carlyle Myers attended the Herman-Tutzman wedding held in the German Lutheran church at Wellsville at 8 o'clock Wednesday evening. It was a military candlelight ceremony. Miss Herman is the daughter of Mr. and Mrs. Joseph Herman, formerly of Andover. Miss Reta Nottingham, daughter of Mr. and Mrs. Claude Nottingham, also former Andover residents, was one of the bridesmaids.

Former Principal of Andover School Dies In California

Burdette B. Brown, principal of Andover High School in the late 90's passed away in Los Angeles, Calif., April 24, 1942.

Burdette Boardman Brown was born in Andover Oct. 28, 1871, son of Anson D. and Esther F. Brown. After graduating from Andover High School in 1886 he entered Alfred University from which he graduated in 1889. After another year of post graduate work in Alfred he taught school in Richburg and Andover. Upon leaving Andover he entered Yale University where he graduated from the Divinity School three years later.

He was ordained in the New York Eastern Conference where he served for over 25 years. His continued service in the various churches of the conference, Middlefield, Conn., Hartford, Conn., Port Washington, Orient, Sag Harbor and Mamaroneck, N. Y., gave contacts that enlarged his usefulness, and as superintendent of Christopher's Home for Orphans he had opportunities of child training which greatly gratified his desire to improve conditions of child life. Later he became secretary of the Methodist Child Welfare Society from which he retired in 1928.

Since his retirement he has lived in California most of the time, the climate giving him comfort and the beauties of the all year outdoor life gave opportunities for new and progressive ideas for writing books which he felt were needed to help others on to courage and usefulness.

A simple quiet service was held in South Pasadena, Calif., and his remains brought East to be buried in Wirt, where four generations are laid at rest. A sister, Mable Brown Grieves, formerly a deaconess in New York City, but now living in Darien, Conn., survives.

Allegany County To Salvage All Scrap Metal

Allegany county will contribute more effort to the war program next week during an intensive drive to salvage all the scrap metal in the county and start it rolling toward war industries. This campaign, being carried on by the County U. S. D. A. War Board in co-operation with the Allegany County Farm Bureau, the Agricultural Conservation Association and various dealers of feed, farm supplies and machinery in the county will start next Monday, May 18 and continue thru Saturday, May 23.

Two days of the week, next Thursday and Friday, have been designated as clean-up days when most of the scrap will be brought in to designated places in each community. "Our War industries need this scrap to maintain maximum production of needed war materials" states H. L. Hodnett, chairman of the U. S. D. A. War Board of Allegany county. "We want every bit of scrap metal in Allegany county turned in next week. Letters are being sent to every farmer in the county, urging co-operation on this program. Other organizations are asked to support this campaign in any way possible. Watch your mail and newspapers and listen to your radio for further details."

The collection points in Andover will be the Wm. F. O'Connell Co. and the Farmer's Feed Supply store.

Lt. John S. Herrick Writes From Canal Zone

Port Sherman, C. Z. (April 28, 1942)
The Andover News
Andover, New York
Dear Mr. Backus:

Since I could think of no way to thank the people of Andover for their generous Easter effort, I decided to write to you, hoping that you would be able to do what I can not.

It is a kind and thoughtful thing that you have done in sending a box to us who are so far from home. The box brought not only the delicacies that we are unable to get here but also the realization that although we are far away the thoughts of those at home are here with us.

To many the Canal Zone is a place that is lost, in their minds almost as much as Luzon. However, to me it has been most kind for it is here that I have met and married my wife and with her have had a son. For these things I am most fortunate. I am happy here but do at times find that I would like to again be in Andover, meeting my friends and doing the things that made my childhood so happy.

I will not attempt to say hello to any particular ones for I feel that each person in the community is my friend. To greet one might hurt another. I am happy to see that Andover is so well represented in our country's armies. It shows that a community as small as ours is truly a community and is doing its part to protect those ideals and things which the United States personifies as the greatest of mankind.

In another vein of thought, may I think that in Panama and the Canal Zone things are much different than at home. On the contrary, instead of being a part of another country we are making this a part of the U. S. Our diet is no different from yours, we have the same vegetables, meats, desserts, and drinks. Milk is somewhat scarce but not unobtainable at 20 cents a quart. Of course we can go out and pick up a coconut, or hang a stem of bananas outside our door, or pick limes, or other tropical fruits.

I have been here for some 20 months and feel that I am well acquainted with the area. I have covered parts on foot, in an auto, and flown over in different airplanes. The point of all this is that should anyone in Andover think that I can help them in any way, in locating someone or in some other way, let them not be afraid in asking for my assistance.

Again, let me express my appreciation of the kind and thoughtful manner you chose to remember us. I am sure that to each one who received a similar box, the day seemed brighter and he was less forgotten.

Should anyone desire to write to me, I will do my best to answer. I cannot guarantee a prompt reply for there are too many pressing matters but I will do my best.

Yours sincerely,
John S.,
Isabelle K.,
John R. Herrick.

News Briefs About Our Boys In U. S. Service

A communication from P.F.C. Edwin Clark of Fort Hamilton, to the News, he expresses his thanks to Andover friends who remembered him at Christmas and Easter time.

In a letter to Mrs. M. J. Lynch, Sergt. Raymond L. Lynch wishes to thank the committee and others for the fine Easter box which he received. He also gives his new address as:
SERGT. RAYMOND L. LYNCH,

Headquarters M. P. Co., Camp Clairborne, La.

The address of Henry Antan, we note, has been changed to:
HENRY ANTAN,
U. S. S. P. C. 463,
40 Lawley's Shipbuilding Yard,
Neponset,
Boston, Mass.

YOUR CAR

How to Get the MOST out of It

STRETCHING YOUR TIRE MILEAGE

The vital importance of conserving rubber can't be overemphasized. Nor can it be stressed too often that you, as a car owner, can help save rubber by careful use of your tires.

Remember, you pay in good rubber for jack-rabbit starting, speeding, curb scraping and slam-bang driving.

Learn your correct tire pressures by heart and check your tires at least weekly. Under-inflated tires build up excessive internal heat and create extra road friction. This wears out the tires and wastes gas. Mild over-inflation (2 or 3 pounds) is not harmful, but tires that are too hard bruise more easily, wear at the center and are not as skid-proof. Don't forget that pressures may vary as much as 5 pounds as a result of temperature changes, also that tires lose air by seepage even when there are no leaks.

Never drive without valve caps. They keep out dirt and help to keep in air.

Keep your tires away from oil and out of the sun as much as possible.

Keep your tires. Thefts are on the increase. Don't leave your car out at night. Jot down the tire serial numbers.

Note: This is the fifth in a series of articles based on the book, *Automobile User's Guide*, published by the Customer Research staff of General Motors. Next article: *More About Tires.*
