Four More Weeks Before Exams

Just a few minutes before exams we realize, usually, just how much we intended to review and didn't. Then our hands get cold and we wish to heaven we had not spent all those moments whispering and throwing paper wads in study hall.

The English students begin to wonder what verb it was that didn't take an object. Yes, then they realize how much they might have done if they had used their study periods to better advantage.

So let's get to work and prevent a case of "just before exam jitters."

### Hi Herald Staff Attends ACSPA

Four Hi Herald staff members, Elaine Pope, Doris Mead, Dorothy Baker and Susan McAndrew, and Editor Jean Rogers in company with their Hi Herald adviser, Miss Jane Colberg, and Principal Glenn E. Bretsch attended the final quarterly meeting of the ACSPA at Fillmore last Thursday evening.

After a delicious dinner of spaghetti and meat balls, cabbage salad, rolls, pickles, coffee and apple pie a la mode—a la mode given twice, Mr. Earl Tierney of the North Tonawanda High School gave a short talk on "Who Do You Think You Are?"

Short plays were given in the auditorium by the "Bolivar Sentinels" the "Friendship Spies" and the Cuba school newspaper staff.

The first meeting of the year 1942-43 will be held at Cuba in October. Everyone reported a fine time—no one particularly minding the extemporaneous blowing out of fuses and driving from Wellsville home by the light of the moon or a two cell flashlight, neither of which was in good working order.

### Grade News

In Miss Reutenwald's kindergarten the boys and girls are making a circus. The children will cut the animals out, stuff them and sew them. They will have a circus parade.

In Miss Sequin's first grade they have a baby robin and nest.

In Miss Clark's second grade they are making Indian scrapbooks.

They have sold a total of \$3.00 in Defense Stamps.

In Miss Butler's second and third grade they have 17 on the Health Honor Roll. They are making an Indian tepee and head dress.

Everett Davis brought two turtles to school. One is a snapping turtle.

Michael Sullivan from Belfast was visiting here last Tuesday.

In Miss Gottlieb's fourth grade they are studying Henry Wadsworth Longfellow. They have a bulletin board on "Art Pictures."

In Miss Kuhn's fifth and sixth grade they have made "Birds and Flower" maps and "Peace Posters."

In Miss Jordan's fifth grade they are making maps of the U. S. SM

### The Janitor's Outlook

"I don't like to wash windows." This positive statement was heard from Janitor John Franklin Nobles. "They don't stay washed even while you're in the process of washing them!"

His favorite movie was "I Married An Angel," and his favorite actor is Nelson Eddy and his favorite actress Dorothy Lamour.

His daily work includes sweeping and cleaning both upstairs and down.

Mr. Nobles states that he doesn't like to have the children slide in the halls, mark on the desks, or throw gum on the floors.

We thank Mr. Nobles for being so kind and wish him much luck in the future.

### Band and Chorus To Be Judged at Houghton

On May 21st and 22nd the band and chorus are to be judged at Houghton College. The band will make this particular trip this year instead of the orchestra, for the band did not go to the Elmira Festival because of the shortage of gas and tires. The music festival at Houghton is non-competitive.

Thursday, Choral Day, the chorus will render as its part of the program the following pieces:

"Sea Song," Harms.

"In a Monastery Garden," Ketelbey.

"Music When Soft Voices Die," Kramer.

Friday, band and orchestra day, the band will be judged while playing the following selections:

"Merry Maiden," by Fulton.

"March Normal," by Bennett.

Also Two Chorales.

The members of the band and chorus hope to receive a high rating and a good time on the campus.

### High School Honor Rolls Announced

The high school honor roll for the seventh marking period ending May 15, 1942 was announced this week by Principal Bretsch as follows:

First Honors—Wanda Dolan, Albert Fisher, Victor Oakes, Elaine Pope, Veronica Ray, Jean Rogers.

Second Honors—Jean Button, Clara Hann, Patricia Lynch, Susan McAndrew, Catherine Perry, Doris Sick, Ruth Slocum, Craig Snyder, Marjorie Vars.

### Hi Herald Receives Excellent Rating

The Hi Herald, as judged by Mr. Earl Tierney of the North Tonawanda High School, received an especially high rating of 80 points out of a possible 85 at a recent A. C. S. P. A. meeting held last Thursday night at Fillmore.

There were no other printed newspaper entries. The next ranking paper, the "Bolivar Sentinel," received 85 points out of a possible 100 points.

The Hi Herald officers and staff were very much pleased with this rating and intend to try to improve their weak points where points were lost, namely keeping humor, impersonal, readers' letters to the editor, and the need for more originality.

### First Grade Student First To Buy Defense Bond

Charity Ann Howland, a first grade student, is the first person in Andover Central School to buy enough U. S. Defense Saving Stamps to be entitled to a \$25 U. S. Defense Savings Bond.

Little Miss Howland has purchased 187 stamps since the sale of Defense Stamps started in the grades. So far, in Mrs. Allen's room \$46.45 worth of stamps has been purchased.

### Beware of the Cupids!

Watch out for the cupids that go dashing around with bows and arrows on days the girls have gym. At last, the long awaited time has come. Now we can have archery in gym. Altho we really aren't good (it's only an accident when we hit the target) we enjoy trying. It's especially fun when, once in a million, we can even hit the target we don't aim at.

### Senior Victory Ball To Feature Art Wexell

Friday evening, May 29, the Senior Class will stage a gigantic Victory Ball in the high school gymnasium from 9 to 1 o'clock. Art Wexell, his saxophone and his 13 piece orchestra will play for the dance. The plans are not yet complete but every one is assured "the best time of his life," according to members of the class.

### English III Class Listens to Recordings

"Mumbo-Jumbo will hoo-doo you—Boomlay-Boomlay-Boomlay-boom"—If anyone happened to pass the English room last Thursday, he would have been thoroly fascinated as were the students of the English III Class, while they were listening to the weirdly loud strains of Varhel Lindsay, as he rendered his famous recording of "The Congo."

The class has been studying poetry for the last week and concluded the unit by listening to the recordings of some of the better known poets.

### "On Life and School Exhibits"

These poems were written by a young lady who wishes to remain unknown:

School Exhibit  
Cardboard, paper, netting, pins  
With these requests, my day begins.  
The cardboard's gone, the paper's scarce  
Friends seem to be but foes—to harass.

When people enter and I'm set down  
I look and try to smile, I frown.  
To the stockroom, I am always going—  
That's down the hall, where wares  
I'm showing.

As soon as I get back to the door,  
Someone else is here, and I'm gone  
once more.  
I'm very much demanded, as far as  
I can see

The telephone, the buzzer, they,  
too, all call for me.  
Now, mostly I'm a happy soul and  
try to keep my head

But honest to Pete, this has me  
beat—my feet and I, we're dead  
The little "kids" are Indians and  
clowns so I am told

They need much paint and paper  
too—of red and blue and gold.  
We need enough of everything, so  
all are calm and gay

It really keeps me guessing to con-  
tinue this all day.  
I say, my friends, now please take  
heed and listen to my plea.

Come visit us on Monday night—  
inspect and think of me.  
For this school exhibit may have its  
points,  
But it sure is hard on feet and  
joints.

"Here's To It!"  
In the windy days of November  
Pause, that it will grieve you  
Pause, and remember  
Leave if you will  
And do not regret me.  
Try, if you care to—  
Try to forget me.  
Try to forget.

I am willing indeed.  
Try if you wish,  
May you never succeed.

The author has written poems for  
Hi Herald before and these are the  
latest of her efforts.

### CHIT-CHAT

Are the Seniors or are they not going to have class night?

Several seats were changed around in first period study hall—  
Wonder why?

Some ride you took Monday night eh Marg. B. and Mary Baker?

What's this we hear about a weiner roast to be held soon at a certain Senior girl's home?

Dates have already been made for the Junior-Senior picnic.

Autograph books are getting to be quite "comme it faut." Among the students, particularly among the Seniors.

The Seniors are really going to town on their idea for the ball.

Why so few people attending Social Hours?

Did you enjoy the movie Sunday night, Marilyn H.?

The Senior's problem: Who is going to be Principal on Senior Day?

Did you enjoy your "shellacking" job, Chick Gath?

As for the dates for the ball—one is quite extraordinary. PEL

### Pleads Guilty at Social Studies Trial

Upon the submission of numerous stories based upon trial cases which might be adapted for dramatization, the Social Studies Class for the ninth grade chose Richard Steadman's trial-for-murder story to be enacted last Monday.

Richard, being author of the situation at hand, played the role of defendant who was placed on trial for the deliberate murder of a girl.

Prosecuting Attorney, namely Albert Fisher, thru his skill and knowledge of the situation, won the case over the Defending Attorney, namely Carlton Ordway, who was unable to convince the jury of the defendant's innocence.

Altho the witnesses, S. McAndrew, J. Yannie, Alden Kaple and Harold Joyce, tried to sway the decision one way or the other, immediate prosecution was delayed during a recess from court from Thursday until the following Monday.

At the second opening of court, the defendant was tried and found guilty of first degree murder and sentenced to death in the electric chair.

Dick Potter humorously, but adequately, fulfilled the position of clerk in "swearing in" the witnesses to the stand. ALH

### Boy Scout News

The Boy Scouts went on a hiking trip Tuesday night. Definite plans have been made for a camping trip this summer.

Lewis Wintenberg received a merit badge and Joseph Yannie is working for a badge also.

### Guess Who?

This attractive lass is a popular Junior. Her sparkling blue eyes, her attractive smile, and bubbling personality qualify her as being well-liked by all those who know her.

She is very musical, in fact she is a member of the band, orchestra and girls' chorus. She is also a star reporter on the Hi Herald staff.

Here's a cue—she once was a very enjoyable companion to a handsome Sophomore gentleman.

Answer to last week: Elaine Pope. PEL

### First Grade Makes Fine Record

According to a report made by Mrs. Allen, first grade instructor, the pupils have purchased a Defense Saving Bond, totalling \$18.75.

In ten years the bond will yield \$25. This is the first class thus far to purchase a government bond. PEL

### With Needle and Spoon . . .

The Home Economics girls are finishing various projects for the exhibit.

The classes are working on a collection of sugarless recipes, copies of which may be obtained exhibit night. Samples of the result of these recipes will be on hand for testing by the visitors.

Part of the seventh and eighth grade groups are baking cookies this week. FMM

### The Real Story of the Early Worm

"Yes, dad," said the up-to-date youth flippantly, "that's a very nice story about the early bird and the worm, but it seems to me that the worm didn't get much by rising early."

"I am informed," said the father, "that the worm had not been to bed at all, but was just returning home from the night before."

And there being nothing more to say, the young man said it.

### ANDOVER MEETS WHITESVILLE IN DECIDING GAME

The locals will attempt to hold off Whitesville High tonight (Thursday) and win the Class B, Section 1 baseball crown.

The Panthers are the only Section 1 ball club that remains unbeaten after wins over Scio, Canaseraga, Angelica and Alfred-Almond.

Whitesville has gone down before Canaseraga and Angelica this year but still hold the championship jinx over the locals. They have won two championship games from Andover, one in baseball last year and one in basketball this year.

If the Purple Panthers lose this game they would have to play the winner of the Canaseraga-Angelica tilt tonight and this would probably put the clamps on the locals chances for a championship team.

If Andover beats Whitesville tonight (let's pray) they would have to play off Fillmore, the winner of the Class B, Section II loop for the Allegany county Class B baseball crown some time this next week.

The lineup for tonight's deciding game will be: "Naze" Dolan catching; "Jake" Shellman pitching; "Milt" Gorsuch on first, Jim Driscoll on second; Jack Dean on short and "Chuck" Holt on third.

The outfield will also remain the same with "Pepper" Ryan, Harold West and Horan in their regular positions.

### PURPLE PANTHERS BEAT ALFRED-ALMOND 5-4

The Purple Panthers of Andover Central School won their third league game from a strong Alfred-Almond team last Friday afternoon.

The locals scored three runs in the first inning, to take the lead and kept it from then on.

Dean, Ryan and Holt accounted for the first three tallies.

Alfred-Almond scored single runs in the first, second, fifth and seventh to account for their total.

"Doc" Ludden started the game on the mound but gave away to Shellman in the third, who pitched nine ball the remainder of the game.

"Frankie" Horan and "Pepper" Ryan each collected two hits for the Purple and White. Horan got two singles and Ryan a single and a triple.

Crossett, Kelly and Thorngate held the hitting honors for the opposition.

### One Way to Save

Dubb: "Did you go to Niagara Falls on your honeymoon?"

Titewad: "We intended to but we saved the cost of the trip. They were showing it in a newsreel the week we were married so we went to the movies."

"An exclusive vegetable diet will give you a trim figure."

"Did you ever take a good look at a hippopotamus?"

### PURPLE PANTHERS WHIP ANGELICA FOR FOURTH WIN

The local high school team won its fourth straight league victory against a powerful Angelica nine last Monday on the local diamond.

"Jack" Dean doubled in the first and was brought in by Ryan's single to account for the locals first tally.

"Jake" Shellman who again twirled for the locals went wild in the second inning when Angelica scored runs against him.

Shellman again walked three men in the third and loaded the bases.

This threat was wiped out when Ryan caught a fly and threw a man out at the plate for a double play.

"Naze" Dolan struck the winning blow in the fifth inning. After Dean singled Horan struck out, Ryan walked and Holt was safe on an error, filling the bases. Dolan then singled in Dean and Ryan for the winning runs.

"Jack" Dean collected three hits to lead the locals' offensive against the opposition.

### ANDOVER OUTPOINTS CANISTEO IN DUAL TRACK MEET

The local tracksters turned in another win over a larger school last Wednesday when they outpointed Canisteo Central in a dual meet by a 56-43 score.

Those who did the most on the score card were:

Miles Gorsuch and Chuck Holt who scored 22 of Andover's 55 points.

Gorsuch placed first in the mile and tied for first in the high jump with Gorton of Canisteo;

Chuck Holt placed first in the javelin and shot and second in the discus.

Vars took second in the broad jump and the 220 yard dash.

Dean took a first in the 100 yard dash while "Slip" Karcanes took a first in the half-mile.

This has been one of the best years in Andover's track history, taking meets from Canisteo, Alfred-Almond and nearly topping Wellsville's usual championship team.

The summary of the Canisteo meet is as follows:

100 yd.—Dean, 1st. 10.8 sec.
