Owners of Commercial Vehicles Must File Records

Warnings are issued by Floyd B. Piper, district manager of the Buffalo office of the Defense Transportation Division that every operator of a commercial vehicle is required to have a Certificate of War Necessity before November 15, if he expects to get a rationing card after November 22, or purchase tires or parts.
All trucks, including fire trucks, hearses, ambulances and taxis come under this ruling.
If you have not received an application blank, one may be obtained by applying immediately to the Buffalo ODT office, 1505 Genesee Building.

TO ROUSE FLOW OF LIVER BILE

Get a bottle of Kruschen Salts tonight. Half an hour before breakfast, take as much as will fill a dime in a glass of water (hot or cold) or in your morning cup of tea or coffee and keep this up for 30 days. Kruschen taken this way helps relieve such symptoms as sick headaches, bowel sluggishness and so-called bilious indigestion when due to insufficient flow of bile from the gall bladder. You can get Kruschen, a famous English formula made in the U. S. A., at any drug store. You must be satisfied or money back.

THE HI HERALD

(Continued from Page Six)

that only a very few people have read it. There are three excellent stories included in it, however.

"Small Potatoes," by Muir, is a fairly new book in the library. It is a story of the people near Penobscot Bay on the Coast of Maine. It sounds rather like a child's book, but it really is not.

"Pitcairn's Island," by Charles Nordhoff and James N. Hall is another of the rollicking danger stories of the sea for which this year are so famous.

Other books by these authors are "Mutiny On the Bounty," "Men Against the Sea," and "Botany Bay" all of which are in the school library.

"Penrod," by Booth Tarkington is the story of a small town boy who always held the record for getting into tight spots and managing to get out again. "Seventeen" is also by this author. These stories are humorous and "good for a laugh" any time.

Class of 1942 Works For Victory

After a thoro investigation, it was discovered that last year's Senior Class is really hitting the road to victory. From the class of 18 members, it was amazing to see that eight of the Alumni are away at school or college and one member has already been called into Uncle Sam's "custody."

Following are last year's graduates and a brief note about what each one is doing at present.

Donald Emery is working for the Empire Gas company in Wellsville. Stanley Ruger is attending Alfred Technical School studying electricity and radio.

Charles Gath is loafing until Uncle Sam catches up with him. Betty Greene has come back to finish her high school course.

Marjorie Bergman and Patricia Lynch are attending the Federal Commercial school in Hornell.

Marjorie Davis and Rose Yannie are waitresses at the Moderne Diner in Wellsville.

Jean Rogers is in nurse's training at the Edward J. Meyer Memorial hospital in Buffalo.

Wendell Vars and Paul Ryan are studying pharmacy at the Philadelphia School of Pharmacy.

Victor Oakes is taking up engineering at Syracuse University. Marian Steadman is a clerk in the Market Basket store.

Wanda Dolan is a telephone operator in Andover.

Jack Dean is working in a defense plant in Baltimore.

Margaret Lynch is leaving soon to take a course at the School of Agriculture at Cornell University.

Jane Burdick is taking a type of business course at Alfred University.

Girl Scout News

Under the direction of Miss Marie Mahl and Miss Elizabeth Snyder, the Girl Scouts met last Wednesday night, Oct. 29.

At the beginning of the meeting a short business meeting was held concerning the girls who were qualified to become Scouts and the girls who wanted to, but had not been present at previous meetings. It was decided that a "waiting list" be made and if there were any vacancies these girls on the "waiting list" would become Scouts before the other girls.

After the business meeting the older girls, under the direction of Miss Dawn Sequin, learned some of the fundamentals of tap dancing, and the younger girls, under the direction of Miss Helen Zeil, studied a few requirements in art. They are planning to make small desk blotters.

After the girls returned to the homemaking room, another meeting was held for the purpose of choosing a committee to divide new patrols.

The meeting was closed with the Girl Scout promise and song.

A Senior Grows Up

Just 16 years ago last September 10th, the Mingsu family which lives on Independence hill welcomed a new arrival. A quiet (?) baby girl now occupied the center of interest. The proud parents named her Florence Maralyn. Her eyes were blue and her hair, well, that just wasn't there. It soon became evident that she was destined to have light brown hair in later years.

They say that pink is for girls. Florence favored blue from her baby days. When she was old enough to eat she liked everything except cauliflower. Anything that's tempting,

she says. Soon Florence started to school. The only event she remembers very distinctly from her grade school days is having her hands tied together for "being naughty." Inside information has it that she became involved in a quarrel. She still likes to play ball and says it's her favorite type of general recreation. Her favorite sport is hunting. Roses are her favorite flowers.

When she was a junior Florence read "Rebecca." She believes that it was the most fascinating book she has ever read. The night she saw "Sun Valley Serenade," was really a memorable one. Her favorite kind of car is a Buick. "Jingle Jangle Jingle" is the song she rates first on her hit-parade.

Florence took business law last year and thinks it is a most interesting subject. Most people think it's hard but she found it decidedly to her liking.

After school "Blondie" (that's her favorite nickname) hopes to go to Genesee Normal. We think she'll make a grand teacher. What does she want to teach? Remember her favorite subject? That's it. She wants to be a commercial teacher.

Florence is a member of the Varsity staff of the Hi Herald, of the Library Council and is a prominent

member of the Senior Class. We wish Florence much success in her career as a teacher. JB

"Bill" Flint Visits Andover

The youngest Andover graduate since the year 1910, at least, returned to ACS about the first of October for a short visit. William (Bill) Flint, who now lives in Dansville, graduated with the class of '54 at the age of 15. He has been working on farms since then, as hired help. He found this kind of work necessary because his age handicapped him in securing other types of work.

Recently "Bill" has filed application for work in two defense plants and is now anxiously awaiting their reply. He feels he may have a better chance now that the Army has taken so many men, leaving many jobs vacant for young fellows such as he. VML

Smart Scotchman

Two Scotchmen tossed to see who would pay for the dinner. The winner called "Heads!" The loser yelled "Fire!" and escaped in the confusion.

YOU GIRLS WHO SUFFER

Distress From
FEMALE WEAKNESS

And Want To Build Up
Red Blood!

Take heed if you, like so many women and girls, have all or any one of these symptoms: Do you on such days suffer cramps, headaches, backache, weak, nervous feelings, distress of "irregularities", periods of the blues—due to functional monthly disturbances?
Then start at once—try Lydia E. Pinkham's Compound TABLETS (with added iron)—made especially for women.
Pinkham's Tablets are famous not only to relieve monthly pain but also accompanying weak, nervous feelings of this nature. This is because of their soothing effect on

ONE OF WOMAN'S MOST IMPORTANT ORGANS. Taken regularly—Pinkham's Tablets help build up resistance against such symptoms. Thousands upon thousands have reported benefit.
Also, their iron helps build up red blood to give more strength. Pinkham's Tablets are also a fine stomachic. Follow label directions.
