The Final Test

HE people of this country are face to face with closing lines of their famous fighting hymn: the most critical of all tests that can be exacted of our form of government—inflation. more difficult to understand than war. It is intangible Dr. Paul F. Cadman, leading economist, has pointit will take a lot more than laws to fight! The present policy of one group blaming a another group in seeking a scapegoat for the rising Wanpower cost of living, will prove disastrously futile. If continued, it will offset all tax measures, forced savings, price regulations, wage stabilization, rationing and

Indution is a challenge to the individual. "This s one of the real occassions when the American people have a chance to demonstrate the moral fiber of the nation in their willingness to be obedient to the unenforeaeable.
