Local History – and the Local Paper

FEW PEOPLE, as they read their weekly news- Mid-week prayer meeting will Claude Hills of Friendship a When the iron is reheated to bak. papers, realize that they are reading perhaps the be held at the home of Mr. and daughter. only contemporary history of their community it is beau avenue Thursday at 8 o'- Francis Snyder of Genesee, Pa., between the grids for 2 or 3 min possible to read. It is doubtful too if they realize clock. Everyone welcome. that as each issue gets old, the more valuable it becomes, and that the old files of a newspaper are, from a historical standpoint, of incalculable worth.

The newspaper files are the most authentic history of the community available. They tell the story | cr of the community's life as it happens. Past history is important to those who live in the present. Those ship. New Year's message "New! of us who live in modern surroundings are sometimes 11:45, Sunday School. likely to forget the sacrifices of those who made the 7 p. m., Trustees committee community what it is today. It is not so very long meeting at the home of Almon ago when the territory served by weekly newspapers " was virgin forests, untouched by the hand of the First METHODIST CHURCH -white man. It was a territory upon which the plow! point had never turned a furrow, a wild and beautiful country in its natural state.

In the meantime men have worked and schemed! and planned, and today we have every modern con-latvenience, churches, library, theatre, electric lights, sidewalks, paved streets, and a hundred and one other conveniences our forefathers never dreamed of. These things did not come about by chance or by natural evolution. They came about because men Sermon by the pastor. Subject: Wellsville, Dec. 29.
