What, Theological Seminary will preach. then, can the average citizen do to help?

One answer to that plaintive question cries aloud FIRST METHODIST CHURCH today from every corner of the land: Buy Bonds! A new emphasis, however, is now given that answer. No matter how many bonds we may have bought, each and every one of us has a chance to declare his Psalm 90. or her special indignation by buying one or more MORE bonds—"Bonds for Bataan." These extra bonds may well hasten by a few weeks, a few days, 7:30 p. m., Thursday, che or even a few hours the moment when those who sur-rehearsal. vive the Jap mistreatment shall be rescued and restored to their homes, and when those who have dared to torture American and Filipino prisoners of christian and missionary war shall be dealt with as they deserve.

The shame of conditions on Bataan belongs to Japan. If we, 130,000,000 strong, fail to make our diemetion drive us to this special effort — then e on us!

WITH so many brand new taxpayers making prayer meeting. Friday, 7:30 p. m., regular returns this year and the ranks of the experts who Young People's meeting. help people with their returns growing smaller and |more overworked, a bad time is in prospect unless more persons than ever before prepare their reports early and not wait until the last days before the March 15 deadline. It will not be humanly possible March 15 deadline. It will not be humanly possible for the few experts to extend their services to even the usual number of last-minute filers. With more potential taxpayers than before, it behooves them to do something about it early, to avail themselves of the opportunity, soon to be presented, of consulting with an official of the Internal Revenue Department, WATER PUMPS and to get that bugaboo document made out and and forgotten. It is a grand and glorious feel-ing to have it done!

If both sides will just quit fighting and go home, we will have beace.

Are you buying Bonds?

Now, as never before, your country looks to you to do your patriotic duty. For this is the showdown. And what's your part in this bitter struggle?

-get that extra War Bond NOW!

Right now, it's to get behind the 4th War Loan and invest in at least one extra \$100 Bond. A Series E War Savings Bond will cost you just \$75 and you get back \$4 for every \$3 you invest, if held to maturity. But that's the least you can do. Invest more if you possibly can. Invest \$200—\$300—\$500 or more. Help the company you work for to meet its quota.

Remember, these extra War Bonds are in addition to your regular War Bond subscription, either through payroll deductions or other channels. Before you say you "can't afford" to do more than you are already doing, think of those who are pouring out their blood and their lives today and every day that this war goes on.

#### Build Your Future With the World's Safest Investment

All over the country men and women look to the future with confidence. They are the ones who have put part of their extra wartime earnings into the world's safest investment — U. S. Government War Bonds.

What about you? Are you letting the dollars slip through your fingers - dollars that should be put safely away in War Bonds?

There are War Bonds to fit your needs...Bonds which are backed up by the strongest "company" in the world. Build that home you have always dreamed about. Send your child to college. Buy the wonderful things that are coming after the war. YO CAN DO IT WITH YOUR WAR BOND SAVINGS.
