Andover Over The Top In Fourth War Loan

A. D. Fuller and John E. Cannon, co-chairmen of the Andover War Finance Committee, announ-Monday morning that Andover had gone over the top in the Fourth War Loan Drive, which was good news to every Andover citizen as well as to the County War Finance Committee.

The quotas in this drive were! all large and the job of meeting them has not been easy. Andover people are to be congratulated on putting this drive "over the top," to show our men and! women in service we are back of them all of the way.

Andover's quota was \$40,000 and the final figures announced by the chairmen credit Andover with bond sales of \$41,715.50 in | cash, not maturity value.

Infantile Paralysis Drive Nets \$288

The Andover committee turned in \$288 to the Infantile Paralysis Drive, thru the efforts of Mrs. Fred Greene, chairman, and her co-workers. Mrs. Greene wishes to thank Andover people for their support of the drive and especially thanks her workers for their fine co-operation.
