ABOLISH ABSENTEEISM—BUY BONDS—CUT the CHATTER Sweden.

MARCH

MARCH, the undependable, the treacherous, Drive now being held. and one of the most unpredictable of the 12 months, greeted us yesterday in more in the form of the traditional lion than the lamb, with colder weather, but not too much of the famous March wind. March will bring Winter and Spring, the last named ever! welcome, especially to those with lowered fuel supplies. March is Nature's sample case. Its balmy days are the more wonderful because they follow Winter's snows and cold. March itself can bring snow and cold, or sun and warmth. Forget not that ic, "The Beauty of Holiness." this month is treacherous beyond belief, now blus- This is a Lenten sermon. tering, now mild.

Among the time-honored days of the year none Christian Endeavor at 6:30. is quite so well-met and joyfully received as March 21st, first day of Spring. This birth of the season of Mid-week prayer meeting will re-birth is yearly hailed thruout the greater portion be held at the home of Ernest of the United States.
