What did you do today, my friend, From morning until night? How many times did you complain The retioning is too tight? When are you going to start to do All of the things you say? A soldier would like to know, my WHAT DID YOU DO TODAY?

We met the enemy today And took the town by storm. Happy reading it will make For you tomorrow morn. You'll read with satisfaction The brief communique We fought, but are you fighting? WHAT DID YOU DO TODAY?

My gunner died in my arms today; I feel his warm blood yet; Your neighbor's dying boy gave out A scream I can't forget. On my right a tank was hit, A flash and then a fire; The stench of burning flesh Still rises from the pyre. WHAT DID YOU DO TODAY.

MY FRIEND, To help us with the task? Did you work harder and longer for less, Or is that too much to ask,

What right have I to ask you this, You probably will say; Maybe now you'll understand YOU SEE, I DIED TODAY.
