### Check Your Chauffeur's License

Albany, May 4.—Motor Ve-Fletcher today called attention to the approaching expiration date for many chauffeurs' licenses. "A large number of one-year chauffeurs' licenses expire May 31, 1944," he said. "This includes chauffeurs' licenses which expired on or after May 31, 1943, the validity of which was extended by amendment to next May

If your license is one of those which expires May 31, you may not legally drive a car upon the highways after that date, unless you renew your license. Applications for renewal are now being accepted.
