> WHEREAS the State Commissioner of Health has so certified.

> NOTICE is hereby given that the provisions of Section 25-a of Article III of the Public Health Law, are in full force and effect in the above named municipality. In accordance with the provision therein contained, Section 25-a of Article III is published herewith.

PUBLIC HEALTH LAW

SECTION 25-a. Prevention of the spread of Rabies. Whenever the disease known as rabies shall exist among dogs in any general health district, consolidated health district, city, village or town, or in the vicinity thereof, and the state commissioner of health shall so certify to the health officer of such district or municipality, it shall be the duty of such health officer immediately to publish a notice of the existence of such disease, together with a copy of this section, by publication in a newspaper generally circulated within such general health district, consolidated health district, city, village or town or by posting in several conspicuous places, or by both such publication and posting. Thereafter until the state commissioner of health shall have certified that rabies no longer exists in such general health district, consolidated health district, city, village or town and due notice shall have been given, it shall be unlawful for any person owning, boarding or otherwise keeping or having in his custody a dog within such general health district, consolidated health district, city, village or town to permit such dog to be at large elsewhere than on the premises of the owner, except it be on the premlises of another person with the knowledge and assent of such other person, unless muzzled with a properly fitting muzzle of a type which will not permit such dog to bite any person or other animal. Any person owning or harboring a dog and who shall permit such dog to be at large in violation of the provisions of this section is guilty of a misdemeanor and shall be subject to a fine of not to exceed TWEN-TY-FIVE Dollars for the first offense and for each subsequent offense to a fine of not less than TWENTY-FIVE nor more than FIFTY Dollars or by imprisonment in the county jail for not to exceed twenty-five days or by both said fine and imprisonment. During such period any duly appointed dog warden or any peace officer shall and any other person may seize and confine or kill any dog found unmuzzled in violation of this section.

The person confining or killing a dog under the provisions of this section shall immediately report in writing the facts relating thereto to the local health officer. Such person shall not be held liable for damages for killing a dog found in violation of this sec-I tion, provided that the facts relating thereto have been reported to the health officer as herein required. The local health officer shall forward such report or a copy thereof to the state department c health. Any peace officer and any duly appointed dog warden, except when such peace officer or dog warden receives a salary in lieu of other compensation, shall be entitled to a fee of four dollars for each dog seized and confined and for each dog killed in the enforcement of the provisions of this section. The expenses incurred i carrying out the provisions of this section shall be paid from moneys raised or to be raised for the suppression of rabies, as provided in section twenty-one of this chapter.

The requirements of the foregoing section will continue in effect until the state commissioner of health shall have certified that rabies no longer exlists in the Towns of Alma, Andover, Independence, Scio, Willing, Wellsville and the Village of Wellsville, Allegany County, or in the vicinity thereof.
