Andover Central . School Opening Postponed

The opening of Andover Cen-) tral School has been postponed; until September 11 by action of the local Board of Health, upon Scott, local health officer.

This action was taken follow-in ing a meeting of school officials! and health officers in Allegany; county last Thursday, at which it was the general agreement of all communities represented that: opening in the county should be delayed at least one. week in all schools, due to the prevalence of infantile paralysis neighboring communities and . the new cases that have appeared; in Allegany county.

Altho the State Department of Health believes that little is to a be gained by closing schools durepidemics and so far has . made no recommendations concerning school closing in the present epidemic, the final authority 1 rests with the local Board of Health in each community, and it] is their feeling generally in the county that schools should not .
