## HORSE SENSE IS PLAIN SENSE

THE clear thinking person can see with half an eye the advantage of a checking account and is eager to accept our invitation to have one here.

He then systematizes his spending which gives him receipts of all payments made, and he steadily builds up his bank balance.

### Boy Scout Finance Campaign September 18-25

Seneca Council, Boy Scouts of America, having reached its objective of 1,050 boy members by the end of its present fiscal year, will seek \$15,280 in a two-county campaign during the period of September 18 thru 25.

The new budget which was prepared by the Council Finance Committee and adopted by the Executive Board in June is an increase of nearly \$3,000 over the total amount raised in the campaign of last year. This increase will be used to provide a field executive for the western portion of Cattaraugus county and, together with other budget allocations, will increase the ability of the Council to carry out a more intensive program of traniing and field service. Plans call for the establishment of an addition-'al field executive in Salamanca who will be responsible for servicing the towns of Carrollton, Red House, Elko, South Valley, Randolph, Cold Spring, Salamanca, Great Valley, Little Valley, Naapoli, Conewango, Leon, New Albion, Mansfield, Ellicottville, Ashford, East Otto, Otto, Persia, Dayton and that portion of Perrysburg which is serviced by Sen-

The executive board anticipates that this move will provide frequent and adequate service to every section of the two counties and that the values of the Scout program will be extended to Andover Central School will re- every boy in the area who wants
