OF LOCAL CHILDREN

Pictures of the children of this city and surrounding community are to be printed in this paper as a special tribute to. our young citizens. Tomorrow the responsibility of guiding the destinies of the world will be placed upon their shoulders. All are invited and urged to participate in this featured event. Among our children are those destined to fame and fortune, so let's not omit any of them!

Every parent should cooperate to make this a colorful and inspiring exhibit. You can cut out and keep these pictures of every youngster in the community. They will always be treasured keepsakes and cherished memory records that could not be acquired in any other way.

You are all guests of ours, and all photographs will be taken

We have made arrangements with the Woltz Studios, nationally known portrait photographers, to come and take the pictures right here in town. You do not have to order photographs, subscribe to, or be a subscriber to this newspaper, to have your pictures taken and run in this featured event. A' that is necessary is that the children be brought by their parents to the photographer on the date and at the location mentioned below. Proofs of all poses will be submitted to the parents, and ents of approved poses will be prepared, identified, written up, and printed in this paper.

The Studio will also take pictures of adults and family groups, and submit proofs without charge, but these pictures will not be published in the paper.

If photographs are wanted for yourself it will be necessary to arrange for them direct with the Studio when proofs are submitted for examination because they cannot be obtained through this paper.

Remember, all children must be accompanied by parents or guardians.

HERE IS THE TIME AND PLACE TO HAVE YOUR PIC-TURE TAKEN FREE OF CHARGE.
