

# 87 times straight - I've been lucky!

87 times I've gone out—and come back.

When your score gets that high, they usually let you quit for a while. But sometimes that isn't possible.

You just have to keep on goingperhaps till your number is up. Out here, you get to understand those things. There's no question of

you've done.

Back home, it's the same way about buying War Bonds. You feel

\* \* \* quitting—no matter how much

But the war isn't over yet. And until it is, I'll make a bargain with you: You keep on buying, and I'll keeponfighting till the last Jap drops!

The 6th War Loan is on. And it's every American's duty to invest in at least one extra \$100 War Bond. If you haven't bought yours yet,
