

Your fighting men are paying back the Japs for Pearl Harbor, that "deed that will live in infamy." But, it's a long way yet to Tokyo-where the final installment will be collected.

We, at home, can't fight shoulder to shoulder with our boys. Yet we can help today by getting behind the 6th War Loan Drive with every dollar we can scrape together. This is every American's war. Buy an extra \$100 Bond -and don't wait till you're asked. For we've a tough job ahead.

Your Bonds prove that you

Bataan and the thousands of other crimes against humanity by the Jap hordes. Your Bond is an installment on what it's going to cost us to crush the Japs in the long sea lanes of the Pacific—it's going to take more superfortresses at \$600,000 each, more P-47 Thunderbolts at \$50,000 eachmore of every type of materiel.

haven't forgotten Pearl Harbor,

And remember, when you buy Bonds you are saving for your future and the future of your country. Don't put it off-buy that extra Bond today.
