War bonds mean more than just "a good investment", to him!

TV/HILE in the Navy, Charles W Hogan saw the endless streams of supplies move up to the fighting fronts . . . a direct result of the dollars you are lending through War Bonds. He knows the importance of receiving supplies on time-how they can spell the difference between Victory or defeat.

Then, upon returning home, he found that the dollars he had in the bank before the war, and the money he had saved from his Navy pay, still were worth full value.

Bond buying had helped prevent the inflation which would make life savings shrink ... service pay and discharge benefits worth only a fraction of their intended value.

The War Bonds you buy in the Sixth War Loan Drive will help keep the materials of war moving to every fighting front, provide millions of homecoming fighting men with a sound financial future, and insure a good investment for you.

Buy all the Bonds you can . . . and keep them!
