Pedestrian Safety Program

the State's program for prevenaccidents which caused the death of 1,000 pedesinjured 21,000 pedestrians in New York last year.

Responding to Motor Vehicle Commissioner Clifford J. Fletcher's appeal for support by local agencies, Sheriff tions which lead to highway casualties.

Stepped up enforcement speed regulations and of traffic light observance were indicated as part of enforcement phases of the program to reduce pedestrian toll.

Sheriff Jones said pedestrians AMMUED are at least partly to blame for ATTITIES many of the accidents. He declared that many pedestrian accidents on State and rural highways could be avoided if walkers adopted two simple safety rules:

1—Always walk on the left side of the street or road, facing traffic. Step off the highway onto the shoulder, when cars approach.

2 — At night, carry a light if possible, but in any case wear FEB. 21 - WEDNESDAY ONLY something white. It will help the driver to see you. Always step Canterville Chost off the road while cars are pass-Margaret O'Brien, Chas. Laughton

At traffic lights, he said, pedestrians must observe the sig- "TENDER COMRADE" and nals no less religiously than motorists.

He pointed out that many per-

walking ways before crossing, or because they fail to allow enough time for safe crossing.
