President Roosevelt

To us, the youth of America, President Roosevelt stands out as one who has contributed to the welfare and security of American youth. Since youth is not given strongly to political opinion, we find this to be not only the opinion of the writer of this article but of every youth.

Mr. Roosevelt spoke the language of youth; his personality had the buoyancy of youth; he carried a youthful outlook on life. Therefore it is only natural that his most numerous followers were we, the youth of today!

Young people have never been, in the minds of their elders, conservative and it is only natural that they should have liberal ideas. Moreover, it is true that Mr. Roosevelt carried these characteristics of youth and could easily break with tradition and precedent.

Young people are idealists! Young people in the blackest moments of the depression, when they felt the discouragement coming from the fact that their proposed careers were hopeless, perceived in Mr. Roosevelt, a statesman, capable of conveying and re-establishing the undying truth that "Americans have nothing to fear but fear itself!"

From the years of depression on up thru the years of his presidency, Mr. Roosevelt has stood out to the youth of America, as a great leader and a challenge to them. A challenge, because of his struggle to overcome his great physical handicap and, with this handicap, his ability to guide our youth through perhaps the most troublesome times of our lives.

Franklin Delano Roosevelt will stand out, not only, in the minds of the youth of today, but also in the minds of their children and grandchildren for many years to come, as a truly great man and a down-to-earth human personage!

Library Bulletin Boards

As one comes in the A. C. S. library, the bulletin board to the far left is first noticed in memory of our late chief, Franklin D. Roosevelt.

Turning around one sees two more attractive boards on either side of the library doors. One is an array of book covers of newly acquired books of A. C. S., the other is a collection of authors for which the students have been sending. The collection consists of the following more popular authors and authoresses: Alice Dalgluad, Marjory Black, A. Evans, Helen Cvers, Phil Strong, Booth Tarkington, John Tunis, Carl Sandburg, Thornton Bergers, Berta and Elmer Harder, Mary O'Hara, Clare Newberry, James Hilton, E. Cerber, Helen MacInnes, Bess S. Aldrich and A. Merrile. We are expecting more autographs soon to complete the already attractive bulletin board.

Dental Clinic Held Friday

A dental clinic was held last Friday, April 13th, in Canisteo, at which ten students had dental work done.

To date, there have been nine clinics held, and four more have been planned for the remainder of the year. Sixty-three students have had dental work done at these clinics. There will be another clinic held a week from this Friday.

These clinics are under the supervision of Mrs. Florence Greene, school nurse, with Dr. Comfort of Canisteo the presiding dentist.

From Me - To You

Well, students, here we go again on a column which may look very familiar to a few of us.

Say, everyone is talking about our prom. Are we really having one or is this just another "hall rumor?"

We hear you are getting fellows (soldiers) from Buffalo Jo Ann and Jean? Well girls, I'll bet you're looking forward to the moment, you finally have a soldier, huh?

We see Nona has her ring back.

Say, Joan B., exactly how long was that piece of candy when you got through, in 3rd period, Monday? Now who was to blame for that?

Say Edith, don't let Frank bother you. They are only good friends with Bob right in the middle!

Arabelle, what are you going to do with Dot and Nona Saturday night?

Lila, we sure hope you hear from Gene Brown pretty soon!

Dot, don't you think you should take Howard more seriously?

There was a rumor that R. M. Baker was about to get her curls cut, but I see they are as long as ever.

Everyone is curious to know how Meta and Dot came out. Put it in the Hi Herald (if possible) will you, girls? Thanks!

Hey, girls, that Whitesville "Tattler" looks bad. Hadn't we better see about it, soon? Can't let them run wild forever!

Say Barb, was that the honest to goodness, real, Paul Cozzie, Saturday night? Were we ever surprised?

Lois looks nice in high heels and new coat, huh, fellows?

Say Clara, you've decided NOT to let Jack run loose. I see! Good decision!

Geel! But I bet you kids are mad!

We hear that E. Russel has a big brother. Gee Dot!

The U. S. Government Arsenal at Watervliet has supplied guns for every war in which the United States has participated since 1812.

Hi Herald Staff Enjoys Party

The members of the Hi Herald Staff enjoyed a social gathering Monday evening, in the A. C. S. auditorium and cafeteria from 7 to 9.

Dancing, musical chairs, shuffle board and ping pong were enjoyed after which refreshments were served in the cafeteria. During this time a few words were said by Mrs. McKenna and Mr. Condi. Miss Sherwood was present, also.

The cost of the refreshments was defrayed by the Staff members and it is reported that, "A good time was had by all!"

Show Case Display

There is a great variety of colorful book covers in the show case this week. Many of them look interesting and even you people who don't do much reading would probably enjoy them. You will find these books in the library so start reading. You might increase your knowledge.

What Would Happen If -

The freshman boys would take out the freshman girls?

The magazines in the library were on the rack neatly after the end of study hall periods?

Essie Temple wasn't in the orchestra? (oh, woe!)

No one wrote a pass to get out of 2nd period study hall? (That will be the day!)

All Hi Herald assignments were handed in for once?

Clarabelle Boyce wasn't eating popcorn?

The Sophomores had punch at their party which is coming up May 1st?

Students came to school cheerful on Monday mornings?

Jo Ann Theetge really got to go to Buffalo this time.

Mr. Reil wasn't so kindhearted?

Doris VanCuren didn't write letters during English class?

The proposed dinner Mrs. McKenna spoke of in Latin II. Class really came about?

Jim Nobles didn't have to clean out the Library work room so often?

Helen Y. made a "run" instead of an "out" in gym class?

There wasn't any Niagara Falls for Jim Backus to go to practically every week-end? (Oh boy!)

The kids didn't count the minutes before the passing bells?

Homemaking

News

In Girl's Homemaking A Class the girls have started on sewing, again. They are making suits, shorts, play suits, blouses, cotton and rayon dresses. They are progressing very nicely, too!

In Home Economics I Girls are planning to hold a luncheon, Thursday evening at 6:30 in the homemaking room. The menu is:

Fruit cocktail, potato salad, meat loaf, frozen lima beans, relish, plate, gelatin desert, brownies, coffee.

"Play Ball!"

Play ball will be the umpire's call April 26, 1945, on the home diamond when Wellsville ventures to Andover. April 26 will mark the opening of a hopeful season for Andover.

The nine have five games consisting of three on the A. C. S. diamond. Under the skillful leadership of "Coach" Ingerson the squad should have a good season. It is yet unknown how our opponents are fixed for players and to determine our place in the final list is undeterminable as yet.

Andover is fairly well fixed for players such as veterans George Phillipson, "Pete" Howland, "Jack" Horan, "Les" Behn, Tom Lynch, "Jim" Holt and Carlton Ordway and some good green material.

The schedule for the Andover Nine is a fairly tough one and runs as follows:

Home Games:

Wellsville, April 26, 1945.

Richburg, May 10, 1945.

Whitesville, May 18, 1945.

Out of Town Games:

Alfred-Almond, May 4, 1945.

Scio, May 1, 1945.
