PITCH IN! on the mighty 7th... it's two big War Loans in one!

You have seen pictures of American soldiers falling wearily into foxholes, too tired to even dodge the shells raining all around them. Did it make you fighting mad?

You have seen pictures of American bombers hit by enemy fire, plummeting downward into enemy territory. Did it make you fighting mad?

Then pitch in . . . turn your folding money into fighting money . . . buy *twice* as many bonds as you bought last time!

The mighty 7th War Loan must do the job that two war loans did last year. It's the biggest, most urgent war loan of all. Back it up with every dollar you can lay your hands on.
