Make Your Money's Might

Match their Fighting Might...

You're not asked to prove your prowess in death-dealing combat as these men are doing . . . for America and you. That's their job! Yours is to add the might of your dollars to the might of our fighting men.

WAR LOANS IN ONE!

The mighty Seventh War Loan is the biggest yet. Last year you were asked to subscribe twice by this time. The least you should lend — if your income is \$250 monthly or more — is \$187.50. If your earnings are greater, your purchase of War Bonds should be increased in proportion.

Remember, too, that U. S. War Bonds are the world's safest investments . . . giving you \$4 back, at maturity, for every \$3 you invest in them.

YOU HELP THREE WAYS when you back up the MIGHTY 7th War Loan with every dollar you can afford. You help your Government. You help pay for the materiel needed by our armed forces to get the war over quickly and bring them home. You help. yourself by providing for your future security.

ALL OUT FOR THE MIGHTY SEVENTH!
