minder, that's ali.

NOW IT CAN BE TOLD and, believe it or not, it is what the city folks think of this muchdebated slacks argument that has had us behind the eightball in the past. This contribution from one of our larger cities follows:

Don't Look Now, Butt . . . EVEN though the big World's The perfect face is hard to find,

tours hide,

It seems a couple of our play- And some that wobble blithe and

Some near the shoulder blades are found

While others barely clear the ground, And some delight the artist's eye,

While others, it seems, don't even The perfect face, it seems to me

(If you're observant you'll agree) That makes the hardened heart go "Thump"

So seldom tops the perfect rump. ...
