

our job isn't finished!

### BUY VICTORY BONDS

A half-million men are counting on us for help . . . the finest medical help we can give them. They're our wounded . . . the fighting men who made Victory possible.

#### WE CAN'T LET THEM DOWN

Now, in this final great drive, it's our job to buy Victory Bonds . . . as many as we possibly can.

Victory Bonds will help pay for the medical care that will restore so many young men to health... more quickly, more completely. Victory Bonds, by curbing dangerous inflation, will assure a sounder, healthier America for these young men to work and live in . . . for all of us to live in.
