

PROTECTING AMERICA'S FUTURE is a many-sided job . . . one that's up to *all* of us. For instance, your money in Victory Bonds will help to continue the planning and research that shortened the war . . . and will assure the peace!

THE ROAD BACK from war will be eased for our fighting men by our purchase of Victory Bonds *now*. Held by millions of Americans, bonds will provide a solid reserve of buying power to assure steady jobs for returning veterans.

YOUR DOLLARS IN VICTORY BONDS are needed to protect our country in another way. By buying bonds, we help keep the lid on prices of scarce goods . . . help prevent runaway inflation with its sure follow-up of depression.

NATIONAL SECURITY, and your own *personal* security, are both served by Victory Bond purchases. Victory Bonds provide a reserve for you for farm improvements later . . . in a nation kept healthy and prosperous by Bond investments!
