
FOR THE LAST TIME AMERICA - *BUY EXTRA BONDS!*

Well, it's over . . .

We came through the greatest danger in our history, to our greatest victory.

The price of that victory—in blood and in money—was high.

We can thank God that the price in blood is paid in full. There will be no more deaths in battle, no more new casualties.

But the price in money is still not quite paid!

Your money is still needed by the men who helped to pay in blood. Hospitalization for the wounded, the disabled. Artificial limbs for the men who have given their real ones. And help for the wives and orphans of the men who gave *everything*.

Your money is still needed for the education and training of our veterans—to help them find a real place in the America they saved for all of us.

Just as the money you lent (at interest) in the seven American War Loans helped pave the way for victory, the money you lend now in the Victory Loan will help secure the *fruits* of that victory.

Not only for our veterans and casualties—but for *you*. For these Bonds are still the world's safest investment. They are still the way to insure yourself the security and peace of mind that come from *safe, substantial savings!*

This is the last time you will be asked to buy *extra* bonds!* It's a great opportunity to help yourself while saying "Thanks!" in a very important way to the men who made our victory possible!

*Following the Victory Loan, the sale of E, F, and G U. S. Savings Bonds will continue through regular authorized agencies and through the Payroll Savings Plan.

The VICTORY LOAN is on!
