Buy Bonds to Secure the Peace in the GREAT VICTORY LOAN

THE fighting is over . . . but we at home have one more big job to do! It's to back up Victory by making the peace secure . . . by helping assure the future of our fighting men, of ourselves, of America!

It's to buy Victory Bonds, and more Victory Bonds . . . to make the Victory Loan a triumph to match our war triumphs!

Victory Bonds help pay for the tremendous cost of the weapons which won Victory . . . and provide the best of care for our thousands of wounded. They help assure the future by preventing inflation. They form a backlog for future farm improvements not covered by current income. As good as cash in case of need, Victory "E" Bonds return \$4 at maturity for every \$3 invested.

Do your share . . . share in the Victory!
